## MESSAGE

It gives me great pleasure to welcome you all to the University of Rajasthan, Jaipur. This University was established in January 1947 and ever since then it has become a force to reckon with in the field of Education. Our University was re-accredited with an 'A' grade by NAAC. The status of University with Potential for Excellence was awarded by the UGC to this University. Under the Government of India Rashtriya Uchchatar Shiksha Abhiyan (RUSA) we have received a number of grants to conduct courses for the benefit of students in particular and the nation as a whole.

The logo of our University is धर्मो विश्वस्य जगतः प्रतिष्ठा which means “Dharma is base of the whole Universe”. We adhere to this motto in everything that we do.

As you enter the Portals of the University, you must be feeling excited and anxious to be a part of this prestigious institution. This University will help you to achieve your goals as you study in an eco-friendly environment where work culture prevails.

The Prospectus and our University website provides all relevant information pertaining to your educational requirements. I would also recommend that you keep on visiting the University website [www.uniraj.ac.in](http://www.uniraj.ac.in) and stay in touch with your department officers for continuous upgrading of information.

I welcome you once again to the University of Rajasthan and wish you all the best as you start your academic journey in a pristine atmosphere.

## UNIVERSITY OF RAJASTHAN: At A GLANCE

The University of Rajasthan holds the distinction of being the oldest Institution of higher learning in Rajasthan. It was established as Rajputana University on 8 of January, 1947 and recognized from the time of its inception under sections 2f and 12B of UGC Act.

The main objective of the University has been the creation and dissemination of knowledge. It caters to the aspirations for higher education of students of Rajasthan and from other parts of the country. The location of the University is Urban and its Central Campus is spread over 338.14 acres. The satellite campus, comprising the Constituent Colleges, is spread over 138.21 acres. In the beginning the University's jurisdiction encompassed the entire state. In the year 1956, the Rajputana, University was renamed as the University of Rajasthan, keeping intact its enveloping jurisdiction. With the creation of other Universities, its affiliating jurisdiction was modified in geographical terms. However it has today UG and PG Colleges affiliated to it. The University is still the hub of Higher Education in Rajasthan and attracts students from all over Rajasthan and other parts of India and also from abroad. The University believes that in its journey of seven decades, it has brought about a transformation in Higher Education in Rajasthan and the country at large. Some of the distinctive features of the University are as follows:

- ★ 9 Faculties, 37 Departments and 18 Research Centres.
- ★ Now the Jurisdiction of the University has reduced to Jaipur and Dausa Districts. Earlier 1139 affiliating Colleges were spread in seven districts of Rajasthan. At present University has 546 affiliated colleges.
- ★ Four of the six constituent Colleges accorded CPE status.
- ★ Four PG Departments (Physics, Chemistry, Zoology, Philosophy) have been awarded UGC Centre for Advanced Studies status. Department of Physics and Economics have completed DSA Programmes and five Departments (Botany, Geology, Mathematics, Sociology and Home Science) are running DRS programmes.
- ★ Seven of the Science Departments are running DST-FIST programmes.
- ★ Faculty members received funding through research projects sanctioned by different agencies like UGC, DST, BRNS, CSIR, ICMR, ICSSR, ICHR, DEIT and ICAR. In the last five years, more than 80 individual Research Projects have been in operation with an outlay of about Rs. 15 Crores.
- ★ A large number of research papers and books are being published by the Faculty members.
- ★ Faculty participates in prestigious International Collaborations such as Large Hadron Collider at CERN (Geneva), Nuclear Reactor at Dubna (Russia), Synchrotron Radiation Sources in Italy and Chicago, Nano-particle Based Drug Delivery Research in Roswell Park Cancer Institute, State University of New York, Buffalo etc.
- ★ Former Prime Minister Dr. Man Mohan Singh gave recognition to this fact in his address at the 91st Indian Science congress in Bhubaneswar, in the which he said. "The University of Rajasthan leads among the top universities."
- ★ University with Potential for Excellence (UPE): UGC has recognized the University of Rajasthan amongst the top 15 Indian Universities with Potential for Excellence (UPE) in 2012. A grant of Rs. 50 Crore was sanctioned for enhancement of academic & research activities.
- ★ In addition UGC has also sanctioned a grant of Rs. 10 crores for the fellowship of the Non NET Ph.D. students of the University till completion of XII plan period.
- ★ Promotion of University Research and Scientific Excellence (PURSE): Department of Science and Technology, Government of India has recognized the University of Rajasthan under its Promotion of University Research and Scientific Excellence (PURSE) programme. The h-index of the University at the time of sanction was around 50 and hence a grant of Rs. 32.4 Crore was sanctioned to the University for Scientific Research and Development. The present h-index of university is close to 110.
- ★ MHRD, New Delhi has granted Rs. 30 Crores under the Rashtriya Uchchar Shiksha Abhiyan (RUSA) Phase I programme. On successful completion of this programme, university has been selected for RUSA 2.0 programme and University is asked by MHRD to submit fresh proposals of worth Rs. 50 Crores. MHRD has also approved Rs. 7.0 Crores for the strengthening of HRDC of this university.
- ★ MHRD, New Delhi has sanctioned Rs. 10 Crores to university to establish Design Innovation Center (DIC) at CCT.
- ★ The university has been accredited with grade "A" by National Assessment and Accreditation Council (NAAC) with CGPA 3.21 in March, 2016
- ★ Department of Hindi has been Rs. 56 Lacs under up gradation programme by UGC under XII plan for the first time since inception of this department.
- ★ The Department of Science & Technology, Govt. of Rajasthan has approved a grant of Rs. 30 Lacs for establishments Bio-Technology Business Incubator as a part of chief minister Budget announcement during of the financial year 2017.
- ★ The Ministry of Culture, Govt. of India, New Delhi has sanctioned a corpus fund of Rs. 4 crores for setting up the permanent Chair in the name of Shri Guru Govind Singh Ji as a part of his 350th birth anniversary. Accordingly the accrued interest on the corpus fund is being utilized for the establishment and research studies of the centre.

#### Global Demand

- ★ Offering globally relevant PG and research courses. e.g. Computer Science, Management, Biotechnology, Microbiology, Converging Technologies, Social Sciences, Women's Studies, Arts, Geo-Informatics, Mineral Processing, Instrumentation Technology, Material Science, Pharmaceutical Chemistry, Journalism etc.

- 5
- ★ Provision for training and development on practical skills and human resource skills leading to global competencies.

The University aims to impart higher education with quality and social relevance. It provides academic and research facilities in various streams to the students studying in University Departments, Constituent Colleges and Affiliated Colleges/Institutions. The University offers 46 Ph.D. Programmes, 25 M. Phil Programmes, 51 Masters degree programmes, and 18 Bachelors degree programmes. Besides focusing on dissemination of knowledge and search for excellence in teaching and research, the University prepares the students as good future citizens and endeavors to inculcate amongst them a sense of discipline and dedication. The University is transforming its curricular activities keeping in view the recent trends of development.

The University generates cost effective resources to achieve financial self-sufficiency. Self financing courses are offered both at U.G. and P.G. level. Being both teaching and affiliating University, it ensures equitable distribution of facilities for higher education in different parts of the state under its jurisdiction.

The University encourages its teachers to undertake research activities and gives financial support to attend seminars and workshops. Financial grants are also given for organizing conferences. Interdisciplinary approach and collaborative research are being encouraged to achieve excellence in education.

### Teaching Units

The University of Rajasthan consists of the following components:

- (a) Constituent Colleges

State of Rajasthan and Others(JT 1997 (7) SC 384)]

- 5.3. All students are entitled to protection from ragging in any form [UGC (Curbing the Menace of Ragging) Regulation, 2009]

6. As democratic citizens, the students are entitled to freedom of thought and expression within and outside their institution. The college/university must allow space for free exchange of ideas and public debate so as to foster a culture of critical reasoning and questioning. College/university authorities must not impose unreasonable, partisan or arbitrary restrictions on organizing seminars, lecture and debates that do not otherwise violate any law.

7. The students are entitled to forming associations and unions, directly electing their representatives to Students Unions and having their representatives on the college/university decision making bodies including internal quality assessment, grievance committees, Gender Sensitization Committees against Sexual Harassment and the Academic/Executive council. University/colleges shall evolve mechanisms for adequate consultations with students' representatives before taking any major decision affecting the students.

8. The students are entitled to full and correct information about any institution of higher education in which they study or propose to study. Therefore, every college/university must disclose the following information on its website and Prospectus: status of the institution, its affiliation, accreditation rating, physical assets and amenities, membership of governing bodies and minutes of the meetings of bodies like Academic/Executive council, sources of income and the financial situation and any other information about its functioning necessary for a student to make a fully informed choice. [Section 4 (1) of Right to Information Act 2005].

9. The students are entitled to redressal of their grievance by the Grievance Redressal Committee of the institution within 10 days of making a representation. If they are not satisfied, they are also entitled to an appeal to the Ombudsman of the University concerned for redressal within 30 days. [UGC (Grievance Redressal) Regulations, 2012]

10. The UGC may issue instructions for proper implementation of these Guidelines.

## DEAN, STUDENTS' WELFARE & INTERNATIONAL STUDENTS' ADVISOR

### Introduction

The office of the Dean, Students' Welfare & International Students' Advisor (DSW & ISA) helps the University students in the overall development. This office provides career counselling for the students to enable them to choose academic fields of their interest.

This office also monitors the 'Students' Group Insurance Scheme' for regular students of this University. Out of the Students Welfare Fund of the University, the office facilitates the University in providing "One time financial assistance" who belong to economically weaker sections with higher academic grades.

Under the administrative supervision of the DSW, there is Rajasthan University Students' Union (RUSU) which consists of four office bearers namely President, Vice-President, General Secretary and Joint Secretary who are elected directly by the regular UG and PG students of the University. One research scholars' representative is elected by the regular M.Phil and Ph.D. students.

The Dean Students' Welfare and the RUSU collectively organize numerous cultural and academic activities. Inter-College Youth Festival is organized in the month of September/October every year. This competition is among the Constituent Colleges, Departments, Centres of University and Affiliated Colleges. This helps the DSW to make a team for the International Youth Festival i.e. (Ghoomar) which is a prestigious cultural activity of our University.

### Calendar for the activities to be held in the academic session 2019-20

1. RUSU Election when declared by the State Government.  
Blood Donation Camp : As per direction by the state Government.
2. Students Group Insurance Coverage (Death/Accidental) will announce in the month of **August 2019**.
3. One time financial assistance scholarship will be announced in the month of **September 2019**.
4. Inter-College Youth Festival will be organized in the month of **September/October 2019**.
5. International Youth Festival 'Ghoomar' will be organized in the month of **November/December, 2019**.
6. International Conference will be organized in the month of **January / February, 2020**.

### INTERNATIONAL STUDENTS' ADVISOR

**About the Department**

On the auspicious occasion of Lord Mahaveer's 2500th NirvanMahotsava the Centre for Jain Studies was established in 1975 and a Chair founded for promoting research work in Jainism. The Centre has a missionary zeal to sponsor and promote research in Jain Studies and other aspects of Comparative Religions and Culture. With its longstanding and renowned status, the Centre is located in the Humanities Block, University of Rajasthan Campus, Jaipur.

At the time of establishment of the Centre the University had taken a decision that Jainology be treated more as an area of research and the main purpose for establishing the chair should be to encourage the study of Jain religion and ethics in the related departments i.e. Sanskrit, Hindi, Philosophy, Psychology, Sociology, Political Science, Public Administration and History, already existing in the University, and conduct and direct research in the field of Jainology.

In order to attract the diversified Jainological studies the University also accommodated the study of source material, ideas, thoughts, literature and history of Jainism to be studied as special papers in the regular courses of the Department of the Sanskrit, Philosophy and History with the co-operation and guidance of the person occupying the chair in Jainology. In view of this decision the PG classes in Jain Studies are being taken with PG departments of History, Sanskrit and Philosophy of the University and the faculty of the Centre is associated with them ever since the establishment of the Centre.

It is one of the premier institutions of international repute for Jain Studies in India, engaged in research on various aspects of Jain Studies and Manuscriptology, committed for dissemination of knowledge on Prakrit, Apabhramsa language & Literature, Jain Philosophy & religion and Manuscriptology in a comparative, critical and historical perspective. The Centre awards every year various Fellowships and Scholarships.

**Director**

Dr. Rashmi Jain

It has so far organised more than 5 International, 10 regional and 30 National Seminars and held several extension Lecture-series, and published about 26 books on Jainology and Manuscriptology. ## Department of Life Long Learning

(Formerly Deptt. of Adult and Continuing Education)

Lifelong education is the cherished goal of an ideal educational process. In a technology driven, knowledge based competitive economy, the landscape of learning is changing. Keeping in view the socio-economic changes taking place in the country, the acquisition of relevant skills and regular upgrading of skills implies the need for creating a variety of training and learning opportunities. The **Department of Lifelong Learning (DLL)**, University of Rajasthan takes into account this critical development issue of continuous development of quality and quantity human resources and up gradation of skills.

The responsibility of the university to provide adequately its responsibilities to the entire education system and to the society as a whole has been assumed by the Department of Lifelong Learning in the manifestation of extension activities for various target groups ranging from illiterates, semi-literate to experts, professionals and elite groups.

With the purported aim of expanding the frontiers of knowledge and extending the institutional resources to the community DLL conducts short term training courses, workshops, seminars, summer schools, capacity building and skill development programmes etc. throughout the year. The department organizes programmes which are need based, flexible, catering to the diverse needs of small and large segments of people.

DLL has been successful in reaching out to large sections of society, especially the marginalized and

disadvantaged, through varied interventions and capacity enhancement endeavours. It has been instrumental in conducting sensitization, awareness programmes regarding universal literacy, gender justice, HIV/AIDS, environment conservation, e-learning, sanitation, entrepreneurship development, discrimination, problems faced by minority sectors and other backward sectors etc.

Special thrust remains on capacity building, leadership skills, personality development, stress management, career counselling and guidance programme for youth. DLL also develops teaching learning, instructional, training and promotional material as part of providing academic/technical support to different programmes. DLL has been successfully conducting English language teaching classes in rural areas, government schools and urban slums for the needy and poor and have also focus imparting e-learning for senior citizens and deprived sections of society. Collaboration and support for various activities and programmes are solicited from of university departments, colleges, NGOs, and resource centres of National Literacy Mission Authority.

The aims and the objectives of the Department are to promote a meaningful, sustained and stimulating relationship between the University and the community. The impetus is to provide opportunities for a learning society, to facilitate the overall development of people and significantly help improve the overall quality of life

## Department of Physical Education

### About the Department

The Department was established in 1947 with its Physical Education programme including Courses like Bachelor of Physical Education (B.P.Ed.) from 1994-95 and Master of Physical Education (M.P.Ed.) from 1995-96. The Department introduced Yoga Certificate & Yoga Diploma Courses in the Session 2003-04. M.Phil in Physical Education was introduced in 2007-08. The Department has ample facilities for research work, enabling the post graduates to pursue their Ph.D. in Physical Education. Till date 78 students have been awarded Ph.D. in Physical Education.

### Ph.D. Programme : Thrust Areas:-

- Sports Training
- Sports Medicine
- Sports Bio-Mechanics
- Physiology
- Psychology
- Management
- Professional Preparation & Curriculum Designs
- Sociology of Sports
- Test and Measurement
- Yoga

### Centre for Converging Technologies

#### Convergence and adumbration

The expression *converging technologies* refers to the synergistic combination of four major "NBIC" (Nano-Bio-Info-Cogno) streams of science and technology, each of which is currently progressing as a pivot on its own: (a) nanoscience and nanotechnology; (b) biotechnology and biomedicine, including genetic engineering; (c) information technology, including advanced computing, IOT, AI and communications; and, (d) cognitive science, including cognitive neuroscience. Rapid advances in converging technologies have the potential to payoffs will include improving work efficiency and learning, enhancing individual sensory and cognitive capabilities, revolutionary changes in healthcare, improving both individual and group efficiency, highly effective communication techniques including brain to brain interaction, perfecting human-machine interfaces including neuromorphic engineering for industrial and personal use, enhancing human capabilities for defense purposes, reaching sustainable development using NBIC tools, and make better the physical and cognitive decline that is common to the aging mind.

#### About the Centre:

The Centre for Converging Technologies (CCT) at the University of Rajasthan is conceptualized as a centre to strengthen quality education and to pursue high standard research in the frontier areas of Nanotechnology, Biotechnology and Bioinformatics, Information & Communication Technology and Cognitive & Neuroscience (NBIC) technologies so as to accelerate techno-economic development of the country.

#### The Centre is pursuing the following activities:

Creating and maintaining a critical mass of Converging Technologies research specialists who can effectively contribute to the need of the industry and society.

Focusing on interdisciplinary research in areas like Nanotechnology, Bioinformatics, Biotechnology, Information and Communication Technology, Cognitive and Neuroscience.

Founding a strong training and research base in academia to make an attractive international training ground for Converging Technologies; Generating, designing, and applying NBIC technologies in an innovative way.

Developing laboratories and facilities to efficiently engineer and design new products.

Promoting research in allied theoretical science, Systems Biology and Metabolomics.

Encouraging post-doctoral students in Converging Technologies to boost the capacity for research.

Imparting postgraduate education in Converging Technologies.

#### Infrastructure Facilities:

The University has received financial support under Member of Parliament Local Area Development Scheme for creation of the centre on recommendations of Hon'ble Ex-Member of Parliament Late Shri R.P. Goenka. The first phase of Centre's new building has been completed in 2009. It has specifically been designed to meet the requirements of Converging Technologies research and education activities. It has fully networked, well-furnished, air-conditioned, dust and germ free research labs and class rooms. A State of the Art research infrastructure is being created with assistance from various funding agencies and through public private partnership. The government of Rajasthan has announced in budget in 2011 (State Budget Announcement No. 155) a Rs. 13 Crore budgetary support to setup a "Centre of Excellence for Nanotechnologies" at Centre for Converging Technologies.

In 2014, under the Scheme "National Initiative for setting up of Design Innovation Centers",

Ministry of Human Resource Development, Government of India, has approved the establishment of DIC at Centre for Converging Technologies, University of Rajasthan. The DIC will receive a total financial support of Ten Crore rupees from Department of Higher Education, MHRD, GOI and has three spokes namely, Birla Institute of Scientific Research, Jaipur, RK Patni Govt. College Kishangarh, and Lachoo Memorial College of Science and Technology, Jodhpur.

In 2014, CCT was awarded a grant of 222 Lacs by Biotechnology Industry Research Assistant Council (BIRAC) to establish University Innovation Cluster in Biotechnology (CIC-B). This is a unique platform acting as the nodal center for budding student entrepreneurs and innovators with industry academia collaboration.

CCT has been selected as nodal centre for the DBT-supported IPLS programme under which a grant of Rs. 10 Crores has been sanctioned by Govt. of India. Sixteen students awarded fellowship under the programme. The phase 2 of CCT building construction has been completed with support under IPLS and from Centre's own fund as it runs under SFS. It was inaugurated by Hon'ble Chief Minister Shri Ashok Gehlot on 24<sup>th</sup> January, 2013. Research equipments have been housed at CCT under IPLS program too.

The Centre plans to collaborate with leading International Universities and Research Institutes to foster research in Converging Technologies. Students of CCT have received financial support under Student Project scheme of Department of Science and Technology, Government of Rajasthan. The centre has also achieved a distinction with a few students publishing papers in peer reviewed journals during master course. Students have undertaken training in X Semester at premiere research institutes like BARC, IISc, IITs, IIITs, CSIO, DRDO, NPL, NCL, NBRC, NIMHANS, INMAS, CEERI, SAMEER, DIAT, IGCAR, CGCRI. The students have undertaken training at R&D units of leading companies like Reliance Life Science, Reliance Textile, Shalimar Paints, ARCI. Several students have qualified NET, GATE, JEST and GRE.

#### **Ph.D. Programme:**

The primary aim of establishing the Centre for Converging Technologies (CCT) is to produce high quality research in the four streams of Nanotechnology, Biotechnology and Bioinformatics, Information and Communication Technology, Cognitive & Neuroscience. The research scholars are working mainly on the following areas. The admission will be through Uniraj- MPAT.

#### **Thrust Areas:**

- a. Nanotechnology
- b. Biotechnology and Bioinformatics
- c. Information and Communication Technology
- d. Cognitive and Neuroscience

#### **Master's Programme**

**(1) Ten Semesters (Five year) Integrated Dual degree Master of Technology (M. Tech.)** course in the four streams of Converging Technologies. The course is of non-affiliating nature and available on the campus only. The Course has been cited as "This new technology education program (of University of Rajasthan) may become a pattern for other universities" at the Portland International Conference on Management of Engineering and Technology 2007(PICMET-07), Portland, USA.

The Master's programme includes two years of common curriculum in all fields of basic science and engineering. The third year course involves training in all streams of converging technologies. The last two years of programme is fully customizable in specialized domains in the streams of converging technologies.

All courses of First to Fourth Semesters are assigned credits as General. On successful passing of all papers of First to Tenth Semesters the candidate will be awarded dual degree B. Tech. and M. Tech. in a particular stream of Converging Technologies. M. Tech. Degree will be awarded on the basis of performance in all ten semesters and in the stream in which he/she has obtained maximum credits. B. Tech. degree will be awarded on the basis of performance in first to eighth semesters and in the stream in which he/she has obtained maximum credits in these semesters. The training will include multidisciplinary perspective necessary for rapid progress of the new technologies and create a synergistic view for potential application in various areas of relevance. Medium of Instruction and Examination is ENGLISH only.

The students of Centre for Converging Technologies enjoy an active campus life with several invited talks, seminars and interactive sessions by eminent experts. The annual cultural and sports event has been a very attractive feature providing a week long celebrations and opportunities to showcase talent.

#### **Seats: 120 +15% NRI Seats**

- i. Nanotechnology
- ii. Biotechnology and Bioinformatics
- iii. Information & Communication Technology
- iv. Cognitive and Neuroscience

**Fee: See SFS Fee Schedule (Tuition fee for the session 2019-20 will be announced separately by university)**

#### **Eligibility:**

Admissions will be made purely on the basis of merit in international / national level entrance exams like SAT, JEE (Advanced), JEE (Main), NEET, AIIMS, BITSAT, RPMT etc or XII Board Examination. The candidate should have passed the XII (10+2) with science subjects (both Mathematics and Biology group students are eligible). Minimum eligibility shall be 55% score or equivalent grade in the Senior Secondary Examination of RBSE or CBSE or equivalent. Reservation of seats will be as per University and Government of Rajasthan policy. The minimum eligibility criterion for SC/ST category will be reduced to minimum pass marks if required to fill the seats of these categories. The number of seats may be increased from present 120 on approval of the Vice-Chancellor to accommodate more talented students as course is run under SFS and facilities created may be optimally used. Students who are appearing for XII examination in 2019 are also eligible to apply, however, their eligibility for admission is subjected to fulfilling the requirement of passing XII examination. To attract talented students from foreign countries and NRI/PIO

students, the fee of NRI/PIO/Foreign students will be at par with other local students seeking admission to this course for students admitted in the academic session 2017-18.

**(2) Six Semesters (Three year) Master of Technology** course in the four streams of Converging Technologies. The course is of non-affiliating nature and available on the campus only.

The Master's programme will have common curriculum with last six semesters of Ten Semester M. Tech. in Converging Technologies course. Thus students admitted in this programme will be laterally entered in the Fifth Semester of students of batch admitted in academic session 2017-18. The first year course involves training in all streams of converging technologies. The last two years of education will be fully customizable in specialized domains in the streams of converging technologies.

On successful passing of all papers of First to Sixth Semesters (i.e. Fifth to Tenth Semesters of Ten Semester M. Tech. Programme) the candidate will be awarded M. Tech. degree in the stream in which he/she has obtained maximum credits.

Medium of Instruction and Examination is ENGLISH only.

**Seats: 40 + 15% NRI Seats**

- i. Nanotechnology
- ii. Biotechnology and Bioinformatics
- iii. Information & Communication Technology
- iv. Cognitive and Neuroscience

**Fee: See SFS Fee Schedule (Tuition fee for the session 2019-20 will be announced separately by university)**

Admissions will be made purely on the basis of merit in B.Sc. /B.C.A. (both Mathematics and Biology group students are eligible). Minimum eligibility shall be 55% score or equivalent grade in the B.Sc. /B.C.A. or equivalent. Reservation of seats will be as per University and Government of Rajasthan policy. The minimum eligibility criterion for SC/ST category will be reduced to minimum pass marks if required to fill the seats of these categories. The number of seats may be increased on approval of the Vice-Chancellor to accommodate more talented students as course is run under SFS and facilities created may be optimally used. Students who are appearing for B.Sc./ B.C.A. Final examination in 2017 are also eligible to apply, however, their eligibility for admission is subjected to fulfilling the requirement of passing the bachelor examination. To attract talented students from foreign countries and NRI/PIO students, the fee of NRI/PIO/Foreign students will be at par with other local students seeking admission to this course for students admitted in the academic session 2019-20.

**(3) Four Semesters (Two year) Master of Technology** course in the four streams of Converging Technologies. The course is of non-affiliating nature and available on the campus only.

The Master's programme will have common curriculum with last four semesters of Ten Semester M. Tech. in Converging Technologies course. Thus students admitted in this programme will be laterally entered in the Seventh Semester of students of batch

admitted in academic session 2016-17. The course will be fully customizable in specialized domains in the streams of converging technologies.

On successful passing of all papers of First to Fourth Semesters (i.e. Seventh to Tenth Semester of Ten Semester M. Tech. Programme) the candidate will be awarded M. Tech. degree in the stream in which he has obtained maximum credits.

Medium of Instruction and Examination is ENGLISH only.

To attract talented students from foreign countries and NRI/PIO students, the fee of NRI/PIO/Foreign students will be at par with other local students seeking admission to this course for students admitted in the academic session 2018-19.

#### **(4) Diploma and Certificate Courses**

Center is also offering Diploma and Certificate courses in the following areas for session 2019-20:

- (i) Diploma Course in Innovative Food Design (12 months duration)
- (ii) Certificate Course in RF Planar Component Test (6 months duration)
- (iii) Certificate Course in Computer Assisted Drug Design (6 months duration)
- (iv) Certificate Course in Product Design Employing Different Types of Coatings (6 months duration)
- (v) Certificate Course in Product Design Optimization for Artificial Limb Via soft computing approach (6 months duration)
- (vi) Certificate Course in Innovation in Material Sciences for Inclusive Development (6 months duration)

**Seats available in each diploma and certificate course: 30**

**Fee:**

- (i) For Diploma course (Tuition fee Rs. 5000/- per semester)
- (ii) For Certificate course (Tuition fee Rs. 5000/-)

Admissions will be made purely on the basis of merit in B.Sc. /B. Tech. / B.E. Minimum eligibility shall be 55% score or equivalent grade in the B.Sc. /B.

Tech. / B.E. or equivalent. Reservation of seats will be as per University and Government of Rajasthan policy. The minimum eligibility criterion for SC/ST category will be reduced to minimum pass marks if required to fill the seats of these categories. Students who are appearing for B.Sc./ B. Tech. / B.E. Final examinations in 2019 are also eligible to apply, however, their eligibility for admission is subjected to fulfilling the requirement of passing the bachelor examination

**Admission Procedure for above Master Courses:**

Admission to the Master of Technology in the four streams of Converging Technologies will be made through an Online Application Form to be filled and submitted by students as per details given on website <http://uniraj.ac.in/cct> or <http://uniraj.edu.in/cct>. The candidate will be called for counseling on the basis of their merit position in the respective category. The candidates will be required to appear in counseling to be held at Centre at their own expenses. At the time of

counseling the candidate must bring all documents in original and Photostat copies and four passport size photograph along with a bank draft of Tuition fees (will be intimated separately) in favour of Director, Centre for Converging Technologies and payable at Jaipur towards first semester tuition fee. The candidates will be required to fill the University Application Form and submit the same along with the other fees payable as per University Prospectus. Fees once deposited will not be refunded after start of the semester classes.

**Admission Procedure for above Diploma and Certificate courses:**

The admission notification for above Diploma and Certificate courses for the session **2019-20** will be given separately in news papers and on university website <http://uniraj.ac.in/cct> or <http://uniraj.edu.in/cct>.

**Note:** - For any information, the students may visit the Centre for Converging Technologies. The queries may be addressed to [cct.uniraj@gmail.com](mailto:cct.uniraj@gmail.com). Telephone number of office is 0141-2700370.

## University Innovation Cluster In Biotechnology (UIC-B)

University Innovation Cluster in Biotechnology (UIC-B) is a milestone program of BIRAC initiative jointly with the Biotech Industries. Here at University of Rajasthan focus area of UIC is Converging Technologies. The key objectives of the program are:

To play the role of a facilitator to stimulate entrepreneurial activities within the Universities & Academic Institutions and linkages with the industry.

To develop area specific technologies for the industries through R&D projects of student entrepreneur.

To develop and strengthen the Industry-Academia partnership for research sponsorships development and effective transfer of know-how from the University to the entrepreneurs and industry.

To provide Intellectual Property protection and management services and facilitate the technology transfer and commercialization.

The current project aims towards establishment of a platform for increased participation, interaction and mutual co-operation between academia and industry. The focus of the proposal is converging technologies. The project aspires to evolve new strategies, products and services which can be commercialized and can be later taken up for university spin-off and start-ups. Tentatively five major thrust areas have been identified for UIC in collaboration with our industrial partners viz. development of commercially viable phytochemicals, stem cells as cellular therapeutics, isolation and characterization of microbial enzymes for plant secondary metabolite extraction and development of value added food products, industry oriented amalgamation of domain with biological data and establishment of nanomaterial synthesis facility for water purification solutions.

The output/outcome of the project would be utilized for an industrial application project and also the potential to develop into a technology or prototype with

through academic and industrial mentoring. The initiative would aim towards self-sustainability through endowments, royalty, financial support from government funding agencies and industries, consultancy charges and extension services.

### Fellowships and Projects

#### Innovation Fellowships:

There are two Post Doctoral and four Post Master's BIRAC Innovation fellowships.

#### Sponsored Research Projects:

In order to undertake sponsored research projects, the potential industrial partners with specific scientific concerns have been identified. A plan of action for solving the problem in collaboration with industry is being formulated. The plan will be executed with the co-operation of all stakeholders. Financial aid in the form of fellowships to execute sponsored research projects will be provided.

This will be done jointly with Industry/ academia and other organizations

**Activities****1. Development of commercially viable phytochemicals**

**Objectives:** Development of herbal-based bioactive drugs & phytochemicals and their cytotoxicity effects using cell lines.

**2. Stem cell as cellular therapeutics**

**Objectives:** Isolation and identification of stem cell derived growth factors and cytokines for regeneration / repair and other cosmetic applications.

**3a. Microbial enzymes for plant secondary metabolite extraction and development of value added food products**

**Objectives:** Commercial exploitation of microbial sources for industrially important enzymes.

**3b. Microbial enzymes for plant secondary metabolite extraction and development of value added food products**

**Objectives:** Development of value added convenience and ready to eat food products enriched with phytochemicals.

**4. Industry oriented amalgamation of in-silico domain with biological data**

**Objectives:** To develop optimized algorithms and simulations for Genome analysis.

**5. Establishment of nanomaterial synthesis facility for water purification solutions**

**Objectives:** Carbon nano tube synthesis and immobilization into polymeric/ceramic membranes for water purification system.

**Rajasthan University Biotechnology Incubation Centre (RUBIC)**

RUBICON is a non-profit biotech business incubator facility established with the help of State DST Government of Rajasthan and formalities are undergoing to launch in the next few months. Our **mission** is to facilitate and assist the creation, growth, and success of the next generation of biotech companies in state of Rajasthan to nurture entrepreneurial and economic development in the community. We aim to do this by maintaining affordable lab and office space and making progressive technology, services, training, mentoring, and a network of professional advisors available to small biotechnology companies and healthcare-related start-ups

## Design Innovation Centre

Under the scheme National Initiative for setting up of Design Innovation Centre, Ministry of Human Resource Development, Government of India, has approved the establishment of DIC at Centre for Converging Technologies, University of Rajasthan, Jaipur. The DIC has three spokes namely, Birla Institute of Scientific Research, Jaipur, RK Patni Govt. College Kishangarh and Lachoo Memorial College of Science and Technology, Jodhpur. The Project aims towards establishment of a platform for increased participation, Interaction and mutual co-operation between academia and industry for design innovation. The focus of the proposal is converging technologies. The project aspires to develop a continuously evolving curriculum for innovation in process, product and system design aligned to meet the needs of the industries in the milieu and society at large.

The major objectives of DIC are to spread Design Education, thereby creating Design Culture and Design thinking and to promote innovation among the students. DIC will integrate various resources to develop a larger platform for the university and industry partnership by constructing a platform by bringing industry and university together to foster development of design innovation network that nurtures pioneering ideas and translates them into commercially viable initiatives.

Presently six major thrust areas have been identified for DIC in accordance with the industrial requirements in the surrounding region and the existing strengths and assets of the centre.

 Department of Visual Arts

**Dean**  
 Dr. Madhu Bhatt Tailang  
 Tel. 0141-2704557  
 Mobile No. 9928277833

### Department of Dramatics

#### About the Department

The Department of Dramatics was established in 1975 with a one-year part time Certificate Course. Today the Department has earned the status of one of the most exciting and innovative Drama Departments in the country. Combining the study of traditional theatre with cutting-edge performance practice, the Department aims at providing an all round development of the students. This is one of the renowned institutions of learning theatre arts in the entire country and provides an opportunity of five years training programme followed by Ph. D.

#### Infrastructural Facilities

For the benefit of the students, guest teachers and theatre professionals are invited to talk about theatre design, stage management, television and films. Besides its own open-air theatre on the campus, the department has access to the infrastructural facilities of the Jawahar Kala Kendra and the Ravindra Manch. Productions are not always restricted to campus venues. Students have performed in many other places around the campus and in the nearby towns as well as other metropolitan cities

#### Ph.D. Programme

#### Thrust Areas

- ★ Classical Theatre of India and its Dramaturgy with special reference to Nātyashāstra<sup>1</sup>;

### Department of Drawing & Painting

#### About the Department

The Department of Drawing & Painting started P.G. classes in 1974.

The Department of Drawing and Painting aims to enhance the artistic aptitude and creative talent on the students and scholars in the field of Fine Arts. Special attention is given to interdisciplinary approach. The innovative ideas and research oriented aptitude are encouraged and inculcated. Department organized International and National conferences, Seminars, Refresher course and National and Regional workshops and Demonstration by the eminent artists. Other University Professors delivered lectures to train the P.G. students and Research Scholars in the new perspective of Indian Contemporary Art.

#### Ph.D. Programme

#### Thrust Areas

- ❖ Indian Traditional Schools of Painting
- ❖ Aspects of Indian Contemporary Art
- ❖ Folk Arts of India
- ❖ Aesthetics of Indian & Western Art
- ❖ Arts & Crafts of different parts of India
- ❖ Interdisciplinary approach to various arts
- ❖ Artistic study of Archaeological Remains.

#### Other Highlights & Achievements

- ❖ Faculty has published a remarkable number of books and research papers in different art journals.

- ❖ Organised one-man shows and group shows of painting by faculty members in various prestigious art galleries of the country and abroad.
- ❖ Faculty members have received International, National & State Awards and recognitions.
- ❖ Many students have been appointed as lectures in various prestigious institutes of India.

- ❖ Students have received many awards from Lalit Kala Academy and other prestigious bodies.
- ❖ Faculty members have participated in various National Conferences/Seminars/Artist camps etc.
- ❖ Faculty members are the members of renowned Academics Bodies & Research Committees of various universities.

## Department of Music

### About the Department

The Department of Music was established in 1973 with Vocal and Instrumental Music (Sitar) as the main subject. Many Internationally & nationally both acclaimed performing artists have been part of this department and working at present.

A Four-Years performance oriented Professional Degree Course (B.P.A.) was introduced in 1987. Subsequently, a Two-years Post Graduate course (M.P.A.) was added in 1991. A Great achievement of the department is that two New Courses B.P.A. Kathak Dance and Tabla were introduced in 2016. These courses were designed with more stress on practice/ Performance & Theory as well as to produce performing Artists and scholars. The Department aims to produce professionally skilled Artists and Musicologists to develop creative and innovative abilities in the students; expose the students to emerging perspectives of Indian Music; inculcate research oriented attitude in the students; organize seminars, workshops, refresher courses, orientation courses, music concerts and summer classes for New Comer students for giving basic and Professional knowledge of the subject. Teachers and Students have big contribution to enrich the cultural era of the university as they Actively participate in major cultural events like International Ghoomar and Inter College Youth festival, Foundation Day, Convocation, Independence Day, Gandhi Jayanti and Republic Day etc.

### Ph.D. Programme

#### Thrust Areas

- History of Indian Music (Ancient, Medieval & Modern Period)
- Institutional Music-Education
- Gharanas of Indian Music
- Spiritual Aspects of Indian Music
- Aesthetics of Indian Music
- Emerging Trends in Indian Music
- Role of Mass Media
- Folk Music, Dance and Instruments
- New Technology and Music
- Music Therapy
- Contemporary Music
- Distance Education in Music

## Department of Visual Arts

### About the Department

Department of Visual Arts started teaching the professional degree course BVA in three disciplines such as Painting Sculpture and Applied Arts in the year 1988. We have been able to orient a good number of professionals in the subject of Visual Arts, and some of our scholars have been contributing significantly to the discipline.

The faculty members have been regularly participating in National and International Exhibitions, Art, Education camps and seminars and have received various National awards. Many of them are also members of BoS bodies of various Universities. We are delighted that a number of our former students have also been appointed Head of Departments and faculties in various teaching Institutes of India and abroad.

After about 14 years of path breaking hard work by the academic community, the faculty started the Masters degree MFA under the Self Financing Scheme (SFS) in the year 2000. Our clear education vision and well defined goals are being achieved and we are confident that our reputation as an institution, dedicated, and committed to excellence is resulting in graduates showing excellent promise in Visual Arts .

The faculty today has proven its competence not only in providing the excellent education but has also grown its sphere of activity, in spite of enormous constraints. We are proud that our courses of Masters in Visual Arts have been so designed that a student is given sufficient freedom of expression. Students are allowed to innovate and explore a style of their own which we consider essential in order for our graduates to establish a distinct identity in the visual art scenario.

### Department Facilities

The Department has large studios for each discipline apart from separate studios for the elective subjects such as Photography, Print Making, and ceramic.

Apart from regular studio practices, the Department holds separate workshop for the students to explore their abilities in the areas of their specialization.

The Department utilizes its large seminar hall, fully equipped with all the latest communication and presentation equipment for Lectures, Seminars, Presentations, and Discussions organized as part of the regular curriculum activity.

From time to time the Department invites eminent people from various walks of life for the academic benefit of the students. The interaction with artists highly motivate our students..

The use of computer as an essential tool for design is no longer questioned in this Department. Modern graphic studios equipped with computers with multimedia capacities are being used by the students thus provide them a workplace of the 21<sup>st</sup> Century.

Study Tours are organized every year to the major Art centers and places relevant to the subjects. This enriches the students and helps them to have wider knowledge base.

### University R.A. Podar Institute of Management

#### About the Institute

University R.A. Podar Institute of Management was established in 1974 as a constituent unit of the University. It was the sixth B-School to be established in the country.

The Institute has carved out a niche for itself in the field of management education especially among the state university level B-Schools. In addition to the permanent faculty the highly experienced visiting faculty add rigor to the academic program. The curriculum is contemporary and taught through interactive pedagogies.

In addition to the M.B.A. courses, the Institute also offers a Ph.D. program in Management. The alumni of the Institute is well placed in the corporate sector, civil services, banking and other financial services, management academics, business and consulting.

During the past five years the major companies which have recruited from the campus include.

- ICICI Bank; Axis Bank; IndusInd; YES Bank; AU Small Finance Bank; Bandhan Bank; HDFC Bank.
- Kotak Life; ICICI Prudential; Shri Ram Finance.
- Airtel; Reliance Jio; Vodafone-Idea.
- BYJU's; Just Dial; Naukari.com; 99Acres.com
- MRF; Honda
- Oracle

Commitment to excellence within the given resources is the motto of the Institute fraternity. Interactive teaching, personality development, grooming, games and sports are an integral part of the learning experience at RAPIM

#### About the Department

Established in 1960 at the Jaswant College, Jodhpur, the Department was shifted to Rajasthan College, Jaipur in July 1963 and to its present building in August 1974. It is one of the largest and oldest department of Botany in the country, known for its pioneering work in the fields of Mycology, Plant Pathology, Biosystematics, Morphology and Embryology. Now it has established itself as a research centre in Experimental Morphogenesis, Plant Biotechnology, Nematology, Seed Pathology, Biosystematics, Ethnobotany, Phytochemistry, Plant Ecology, Cytogenetics and Developmental Botany. The Department has 16 different laboratories where basic and applied research is conducted. The Department has received generous financial support from UGC (DRS), and DST (FIST), in addition to support from UGC, CSIR, DST, DBT, ICAR, ICMR, Rockefeller Foundation, DAAD and other funding agencies. The faculty has been awarded prestigious fellowships including Fulbright, Rockefeller, European Commission, DAAD, AV Humboldt, DANIDA, DFG, National overseas Commonwealth, INSA, etc.

Research students include NET qualified various fellowship holders, Post-Doctoral fellows, Research Associates and Women Scientist awardees.

#### Infrastructural Facilities

The Department has well-equipped research laboratories, growth chambers, one central instrument room, seminar hall, four teaching labs, two major and six small class rooms for elective papers, one internationally recognised herbarium containing more than 20,000 preserved specimens and a Botanical garden. Major instruments available in the Department

## Department of Chemistry

### About the Department

The Department of Chemistry came into existence in July 1960, thirteen years after the establishment of the University of Rajasthan, Jaipur. Ever since its inception, the Department has made all-round progress and acquired a preeminent status. With Dr.(Mrs.) C.L. Khandawal as present Head of the Department, current faculty strength includes Fifteen Associate Professors, thirty seven Assistant Professors.

Department offers M. Sc. in Chemistry and Ph. D. courses at University campus and B.Sc. pass and honours courses at two constituent Colleges. Majority of PG students qualify NET examination and/or successfully compete in national level tests of ONGC, NTPC, UPSC, GSI, BARC, ISRO, DRDO, Forensic Research Laboratories, CSIR Laboratories, Petroleum and Pharmaceutical companies to get placements.

The Department is well known for its par excellence in academic and research programs in various areas of Chemistry both nationally and internationally. The Department has been recipient of various developmental grants from National agencies. The Department was selected by the UGC for University Leadership Project (ULP). After successful implementation of DSA-Special Assistance Programme sponsored by UGC for more than thirty three years and first phase of Centre of Advanced Study (CAS). The second phase of Centre of Advanced Study is also completed successfully. The Department has been recipient of major equipment grants under FIST program of the Department of Science and Technology, Government of India and BSR grant of the UGC. PG laboratories have been recently renovated with modern facilities and safety equipments.

- Polymer Chemistry and Macromolecules
- Theoretical and Computation Chemistry
- Renewable Energy and Energy Storage
- Photo Electrochemistry

Research programmes in the Department are supported by various funding agencies of the Government of India-DST, CSIR, UGC, DAE, ICMR, etc.

The Department organizes International and National Conferences/Workshops regularly, Recent development of the Department is to organize multidisciplinary conferences in collaboration with other science departments. Moreover, invited lectures of Eminent Scientists & Academicians from National and International reputed Institutes and Universities are also regularly arranged for the exposure of the research students to the current advancements in the contemporary research. The Department is also actively engaged in organizing the recharging programmes, such as, UGC-ASC Refresher courses, besides, seminars, workshops, conferences and Extension Lectures by Eminent Scientists/Academicians etc.

The Department has a Local Chapter of many society of Chemistry. Various academic and student-recharging activities are being organized under these banners and special lectures, invited talks and Interactive session with Eminent Scientists are also organized regularly.

The Department Library is richly housed with over 4000 text books, 5000 reference book and a large number Ph.D. Programme Thrust Areas of old volumes of several Journals. Hard copy of Chemical Abstract, Vol. 1 to 141 (1907-2004) are also available. Now the chemical abstracts are available online-through Sci-Finder. E Journals are available online through University Network. The Department has Wi-Fi and LAN facilities for all faculty members, research scholars and PG students through University INFONET center. ## Department of Geography

### About the Department

Initially, the teaching of Geography began in 1962 at the undergraduate level in the Arts Faculty in University Rajasthan College. Thereafter, the undergraduate teaching in Science faculty in University Maharaja's College and in Science/Arts faculties in University Maharani's College commenced from 1974 and 1987, respectively. The Post Graduate Department was established in 1967. The faculty is also actively engaged in research programmes. The Post Graduate Department is located in the University Campus since 2002.

### Infrastructural Facilities

The Department of Geography has a well equipped Remote Sensing and Geographical Information System laboratory named as (Late) Shri Rajesh Pilot Memorial Laboratory. It has been established under the FIST program of the Department of Science & Technology, Govt. of India, New Delhi.

Edusat program is being run in the Department relayed by IIRS, Dehradun. Automatic Weather Station (AWS) has also been installed in Department since 2012.

### Ph. D. Programme

#### Thrust Areas

- Bio Diversity
- Disaster Management
- Geomorphology
- Environmental Geomorphology
- Land Use/Land Cover Mapping
- Desertification Monitoring
- Watershed Management
- Agricultural Geography
- Resource Geography
- Industrial Geography

## Department of Geology

### About the Department

The department was established in 1985 when post graduate teaching was initiated at the Maharaja's College Campus. The Department shifted to its own building in the University Campus in 1989. The Department runs M.Sc. and Ph.D. Programmes with an objective of:

- Creating and effectively disseminating fundamental knowledge about the Earth, its resources and the internal and external processes that bring about changes in the Earth's surface as development of landforms.

- Training students to take up responsibility as professional geologist in various exploration and mining organizations and to pursue a career as research scientist.
- Integrating scientific knowledge from different geosciences and allied fields for application in solving societal issues such as natural resource management, natural hazard evaluation and mitigation.
- Providing basic infra structural facilities to carry out research in specified fields. To achieve the above goals, the Department offers a very congenial atmosphere and regular student teacher interaction. Field trips are conducted as a part of the M.Sc. curricula that allow the students to learn the practical aspects and develop a better understanding of the subject in the field. It also helps in making students confident and self motivated to work as a team. The Department has regularly organized training programmes and special lectures to benefit both the students and the faculty.

#### Infrastructural Facilities:

The Department has facilities for teaching and research and boasts of the following technical facilities:

**Geochemical Lab:** Double Beam Atomic Absorption Spectrophotometer (GBS); UV-VIS Spectrophotometer, Analytical Balance, Jaw Crusher, TC Ball Mill.

**Petrological Lab:** Petrological Microscopes, Automatic thin section preparation unit

**Palaeontology Lab:** Binocular microscopes, High resolution Zoom Stereomicroscopes with photographic attachment and Tracing Tube. In addition, it has a large collection of fossils collected from Rajasthan and Kachchh.

**Computer and GIS Lab:** Ten computers, GIS and image processing software, Satellite data and topo sheets.

**Other Facilities:** LCD projector, Field Camera, Survey equipment, Mirror Stereoscope, Departmental Library, etc.

#### Ph.D. Programme and Thrust Areas

- Hard Rock Geology (Geochemistry, Petrology, Constraining Ancient Geodynamic Setting, Rock Magnetism)
- Paleontology and Soft Rock Geology (Paleoecology, Sequence Stratigraphy)
- Environmental Geology
- Hydrogeology

#### Master's Programme

MASTER OF SCIENCE (GEOLOGY)

Seats: 10

Duration: Four Semesters (Two Years)

#### Other Highlights:

"The department of Geology is unique among the PG departments of the University because the student who gets first rank in first year of M.Sc. receives a scholarship of Rs. 5000/- per month for one year. This scholarship the ONGC Scholarship is provided by the Oil and Natural Gas Corporation Ltd, under the industry- Academia interfaces. The Department, during its very short span of existence, has been identified under the DRS-SAP of UGC and FIST Program of DST. A large number of international collaborative research programmes are being undertaken. The Department has been very active in dissemination of scientific research and has hosted national and international, Seminars/conference. A software "Virtual Petrological Microscopes" developed by the students of our department is being used by number of Geology departments all over the country as a useful teaching aid.

## Department of Home Science

### About the Department

The Department of Home Science is offering B.A Home Science as a subject in Faculty of Arts and as B.Sc. Home Science in Maharani's College, catering to girls only. Masters programme include post graduation in 3 subjects- Foods and Human Nutrition, Human Development and Family and in Development Communication and Extension. The courses are offered to female candidates only. The Department is also offering Certificate Course in Public Health Nutrition (SFS).

The Department is offering Ph.D. programmes in all the five disciplines, namely, Foods and Human Nutrition, Human Development and Family, Development Communication and Extension, Clothing and Textiles and Family Resource Management

The admission in M.Sc. as well as in Ph.D. programmes takes place through entrance examination conducted centrally by the University of Rajasthan, Jaipur for all the Departments.

The Department of Home Science offers M.Sc. in three specializations which are as follows:

Foods and Human Nutrition:  
Seats: 15 Duration: Four Semesters

Human Development and Family:  
Seats: 15 Duration: Four Semesters

Development Communication and Extension:  
Seats: 15 Duration: Four Semesters

**“The Admissions for M.Sc. Home Science is only for girls”.**

#### Certificate Course In Public Health Nutrition (SFS)

**1. Overview** - Public health nutrition is on the application of Public Health Nutrition Sciences for formulating strategies and actions for preventing and solving the serious problem of malnutrition in our country. This course provides an integrated program covering dietary, epidemiological, public health, program planning, implementation, communication, monitoring and evaluation.

**2. Objectives** : This course will enable the students to :

- Gain insight into national nutritional problem, and national and international contribution towards nutrition improvement in India.
- Development of skills in organizing and evaluating nutrition projects in the community.
- To be familiar with various approaches to public health nutrition programs and policies.

**3 Course design**: This six months certificate course focuses on the fundamentals of food science and nutrition, epidemiological methods of research, and community nutrition. The course will be delivered through multi-media, interactive sessions, field visits and guest lectures.

**4. Eligibility criteria**: Graduates from discipline- i.e., (10+2+3) from any recognized university, from any stream with a minimum of 50% of aggregate marks. Admission will be given purely on Merit basis. The best of the percentage obtained at the last qualifying exam will be considered for admission. For more details contact the Department.

## Department of Mathematics

### About the Department

The University Department of Mathematics was established in August 1960 at Maharaja's College after the amalgamation of its Post-graduate wing. The Department got its permanent abode at the second floor of the Vigyan Bhawan in the University Campus in 1964. Various National and International honours have been conferred upon some faculty members of the Department. M.Sc., M. Phil. and Pre-Ph. D. course work classes are held in the main campus and the undergraduate teaching takes place in the three constituent Colleges of the University. A good number of students of Mathematics Department have made a mark in different walks of life e.g. Research, Teaching, Civil Services, Defence, MNC's, etc. The Department provides learning friendly environment for enabling students to meet global requirement. The Department organizes Prof. P.D. Verma Memorial Lecture every year since 1997. The eminent scholars of Mathematics are invited to deliver memorial lecture. Also organization of National and International Seminar/ Conferences, Workshops and Lectures by eminent scholars of various fields is a regular features of this Department.

### Infrastructural Facilities

The Department have four classrooms with one of them have ICT facility. The Department has its own Library consisting 9600 books and well equipped Computer Laboratory with internet facility available for the benefit of teachers, research scholars and students. Facilities of Smart Class room are also available in the Lab.

The Department has received UGC DRS-II under SAP, DST sponsored FIST Programme and NBHM grant for purchase of books in the Departmental Library.

The Department has active programmes of research in a number of different areas in Mathematics. Emphasis is laid equally on Pure and Applied Mathematics. The following are thrust areas of research

### Ph. D. Programme

#### Thrust Areas of Research

- (i) Fluid Dynamics (Porous Medium, Heat Transfer, Non-Newtonian Fluids, MHD, Boundary Layer Theory)
- (ii) Bio-Fluid Dynamics
- (iii) Differential Equations
- (iv) Integral Equations
- (v) Operations Research
- (vi) Integral Transforms and Special Functions
- (vii) Fractional Calculus
- (viii) Mathematical Biology
- (ix) Geometric Function Theory
- (x) Applied Functional Analysis
- (xi) Common Fixed Points

## Department of Physics

### About the Department

Department of Physics was established in the year 1960. It has been given status of "Centre for Advanced Studies" (CAS) by University Grants Commission for (2015-20). The Department offers M. Sc. (Physics) four semester program and Ph.D. program in different experimental and theoretical fields. It received support under FIST Phase-III Level-2 from DST, Govt. of India. The Department is also beneficiary in PURSE support granted by DST to the university and UPE status granted by UGC to the university. In addition to it different research groups of department received financial support from several funding agencies like UGC, DST, DIET, BRNS, DRDO, CSIR, MNES, UGCDAE CSR, IUAC and ISRO. In the recent US news report; based on the research outputs during 2012-16, this department has secured fourth rank in the nation.

**Infrastructural Facilities**

M.Sc. and research laboratories of this Department are well equipped. Some of the major equipments and facilities available in the Department include:

- X-ray diffractometer for study of powder and thin film materials and also SAXS facility.
- Scanning Probe Microscope (STM & AFM)
- Low energy electron accelerator,
- Vibrating sample magnetometer (20 K-1000 K),
- Mossbauer spectrometers with temperature variation (80K- 1000 K) and high pressures up to 10 GPa, resistivity measurement,
- High field Magnet Facility (8T)
- Rotating Anode generator
- Low temperature transport measurement set-up
- X-ray photo electron spectroscopy set-up.
- 2.5 m long neutron time of flight facility
- Grid computing laboratory with multiprocessor servers.
- Thermal Measurement System
- Impedance analyzer
- Vector network analyzer and Spectrum Analyzer
- Microwave signal generators
- EM simulation softwares

Facilities available at USIC are also accessible to the faculty members of this department.

**Ph.D. Programme****Thrust Areas**

- Condensed Matter Physics
- Theoretical High Energy Physics
- High Energy Nuclear Physics (ADS Prog.)
- Experimental High Energy Physics
- Plasma Physics
- Atomic Physics
- Microwave Electronics
- Hydrogen Energy
- Solar Energy

Research groups of this department have active research linkage with BARC, TIFR (Mumbai), PRL (Ahmedabad), ISRO (Bangalore), IUAC (New Delhi), UGC-DAE CSR (Kolkata, Indore, Mumbai), CEERI (Pilani), Synchrotron radiation Centers (Taiwan, Italy, Japan, USA), University of Munich (Germany), ICTP (Italy), CBPF (Brazil), JINR (Russia), Postech (Korea) and Czech Institute of Physics (Czech) CBM (GST, Germany). International Collaboration with STAR (Brookhaven National laboratory, New York), ALICE (CERN, Geneva) were also established.

- Electronics
- Programming in C
- Numerical Methods
- Condensed Matter Physics
- High Energy Physics
- Electronics and Communication
- Energy Studies

M.Sc. pass out students are selected every year in prestigious scientific institutions like IPR, IUAC, BARC, NPL, TIER for pursuing research. Several students qualify examinations like NET and GATE every year.

**Other Highlights**

Department has organized a National Conference in the area of material science and Technology during 2018-19. Department organizes invited talks of eminent persons for the benefit of students and faculty. Several of its faculty members are having memberships of different prestigious organizations. Faculty members are also attending international and national conferences and

## Department of Psychology

### About the Department

The Department of Psychology of the University was established in the Year 1971. The Department is well known for its excellence in academic and research programs in various areas of Psychology.

Activities of the Department have reflected a marked growth over the last few decades. The Department has designed curriculum that allows students to pursue the extensive breadth of psychology in terms of behavioral phenomena studied, the variety of methods and theoretical approaches employed. The curriculum also provides excellent opportunities for research experience in the form of practicum and by participation in a wide variety of research projects.

Throughout the curriculum, the Department emphasizes the empirical basis of interventions, assessment methods for an all-round development of the students. Also the department is devoted to train students to advance theory and create knowledge that helps to address the real world problems. The Department caters to internship program to bridge academic learning of theory with community application of knowledge. Beyond the academics, the Department invites scholars, researchers, clinical practitioners to share their expertise with the students. The thrust is to ensure that students master theoretical aspects, imbibe assessment and intervention skills.

One of the most important features of the Department is community services through its counseling cell. The cell nurtures students through different activities and allows students to cross hurdles in the academic years. The cell is looked after by the teaching faculty of the Department.

### Activities and Objectives of the cell:-

Mentoring through individual counseling

Providing Psychological services to students and resolve their emotional, behavioral and social/academic issues.

Psychological Testing in areas of:-

Personality

Aptitude

Intelligence

Stress and Anxiety

Values and Character Strengths

## Department of Statistics

### About the Department

The University Department of Statistics was established in 1962. Department has been shifted in the new premises i.e. Vigyan Bhawan (IIInd floor). The Department is engaged in teaching U.G., P.G, M. Phil. classes and Research work. The Undergraduate courses, in Statistics Subject, are held in three constituent colleges of University of Rajasthan, Jaipur namely University Rajasthan College, University Maharaja College and University Maharani College under the faculties of Science and Arts.

A large number of students have completed their M. Phil. & awarded Ph.D. degree from the department in various areas of Statistics. The research thrust areas of the department are Design of Experiments, Statistical Inference, Distribution Theory, Applied Statistics, Statistical Computing, Sampling Theory etc.. Department of Statistics is well equipped with one computer lab and statistical software like SPSS and STATA.

The department has been granted a financial assistance of Rs. 47 lakhs from Department of Science and Technology under the DST-FIST Programme. Department of Statistics has also been granted a financial assistance of Rs. 57 lakhs from DST-PURSE (Phase II).

### Infrastructural Facilities

1. More than 1000 books of National & International publications in the Deptt. Library.
2. Department is well equipped with 9 rooms consisting of two class-rooms, one large Computer Lab, Office rooms, Library-cum-Common room for students, Staff rooms.
3. 42 PC's & 2 Leptops with pre installed OS.
4. Following Software are available :  
(i) MS Window-7 (ii) Turbo-C/ C++ (IDE version) (iii) IBM SPSS 19 (iv) STATA/SE 14 (10 users)
5. INTERNET facility.

### Ph.D. Programme

#### Thrust Areas

- Statistical Inference
- Design of Experiments
- Distribution Theory
- Sampling Theory
- Reliability Analysis
- Environmental Statistics
- Medical Statistics
- Computer based Statistical Techniques
- Applied Statistics
- Inter Disciplinary Research

### Masters' Programmes

#### (i) M. Phil. in STATISTICS

Duration: One year

#### (ii) Master of Science / Arts (STATISTICS)

Seats: 30 Duration : Four Semesters (Two years)

### Other Highlights & Achievements

1. The subject has application in many fields such as Actuarial, Agriculture, Business, Management, Pharmaceutical & Medical sectors etc.

## Faculty

2. Governments jobs like Indian Statistical Services (ISS), Research officer in RBI & other UPSC, SSC, GIC, RPSC & Bank jobs.
3. National / International Research projects as Statistician/Statistical consultant after getting knowledge of Statistical Software.
4. Faculty members in different institutions.
5. More than 45 students selected in UPSC, ISS, DRDO exams during 2009-2019.
6. 20 students selected in RPSC- Statistical Officer exams in the year 2015.
7. Some students selected as :  
(i) Research officer (RBI, 2012)  
(ii) Statistical Officer (PNB, 2013)  
(iii) Statistical Officer (SBI, 2014)  
(iv) Asstt. Manager (GIC, 2015)  
(v) Associate Statisticians in R&D of Pharmaceutical Industries in 2011, 2015, 2016.

### Future Plan:

1. Procurement of Statistical Software MINITAB 17 (10 users).
2. Establishment of "Smart class room".
3. Effort will be made for "Statistical Consultancy Cell" & Campus placement.
4. To invite eminent scholars in different discipline to deliver popular lectures for the benefit of students.

## Department of Zoology

### About the Department

The Department was established in the year 1960 at the Jaswant College, Jodhpur. In 1963 it was shifted to Jaipur in the Vigyan Bhawan of the University of Rajasthan, and finally to its newly constructed building in October 1966.

Earlier, the Department had received generous financial support from Ford Foundation (USA), Rockefeller Foundation (USA), National Institute of Health (USA), United States Department of Agriculture, PL480 (USA), UGC-ULP, DRS, COSIST, SAP, DST-FIST (Phase I). The Department was recognized as the Centre for Advanced Studies (CAS Phase-I) in Zoology in the year 2005. The Department has completed CAS (Phase II) under UGC and DST-FIST program (Phase II) under DST in subsequent years. Besides the major funding, several faculty members have received financial support from the different funding agencies like UGC, CSIR, BRNS, ICMR, DST, DBT and MHFW. Research scholars include NET (UGC & CSIR) JRF, ICMR-JRF, DST-INSPIRE Fellows, Rajiv Gandhi Fellows, Post Doctoral Fellows, Research Associates and Women Scientist awardees.

The Department is known for its pioneering research in the fields of Radiation Biology, Reproductive Biology, Cancer Biology, Environmental Biology & Toxicology, Entomology, Microbiology and Development Biology. The faculty has been awarded prestigious fellowships including DAAD, AvHumboldt, Full Bright, Smithsonian etc. The Department has been regularly organizing International & National Conferences, 'Ramaswami Memorial Lectures' and invited talks by Eminent Scientist in the different areas. The Department has celebrated its Golden Jubilee in the year 2010. The alumni hold various important positions in teaching, research and administrative services in India and abroad. An Alumni Meet held in year 2018 & 2019 with good participation from the alumni.

### Infrastructural Facilities

The Department has a whole range of sophisticated instruments to facilitate quality research. A Central Instruments Facility is available for the use by all research Scholars. The Department has procured sophisticated instruments viz; includes Atomic Absorption Spectrophotometer, RT-PCR, HPLC, Autoanalyser, Fluorescent Microscope with Digital Microphotography, Refrigerated Micro-Centrifuge, ELISA Reader, Deep Freezer, Refrigerated High Speed Centrifuge, CO<sub>2</sub> Incubator, Blood Analyzer, Chemiluminescent Analyzer, 2 D Electrophoresis system, UV Transilluminator, Lyophiliser, Gel Doc System, Horizontal Gel Electrophoresis with power supply, Rotatory Microtome, Tissue Homogenizer, GM Counter, Minus 80 Degree Deep Freezer, Water Purification System, Biosafety Cabinet, Probe Sonicator with Probes, Vacuum Dryer,

The Department has 18 different laboratories where basic and applied researches are being conducted. Adjacent to the main building of the Department, the Animal House is there for the experimental animals.

There is Central Computer Facility with internet connectivity for the PG Students, Smart Classroom, excellent Museum, L. S. Ramaswami Seminar Hall with the capacity of 200 persons and a rich library with a large collection of reference/text books and journals.

92

Study of various herbs for the evaluation of anti oxidants, anti cancer, and radiation anti fertility, anti diabetic and anti atherosclerotic properties, toxicity of environmental pollutants and bioremediation are also being carried out.

Besides teaching and research, the department also organizes enthusiastically many extracurricular activities for the holistic development of the students.

Recently the Department has also started publishing its annual magazine highlighting all academic, research and extracurricular activities.

## Centre for Computer Science & Information Technology

### About the Centre

About the Centre Infrastructural Facilities The centre was reported to have started in year 1986 offering initially certificate courses in Computer Applications ( Computer Languages like BASIC, C, FORTRAN, Lotus 123, Dbase etc.) at University Science and Instrumentation Centre (USIC). The Centre started one year PG DCA in 1989 & three year MCA course in 1990. The Centre shifted to its own building in 1996 and the Centre merged with USIC with the name Institute of Informatics and Instrumentation (III) in the year 2002 and the same time the Centre also started two year M.Sc. ( IT) course. The Centre is renamed University Centre for Computer Science & Information Technology (UCCS & IT) in the year 2007. Presently the Centre, is running 3 years (6 semesters) MCA and 2 years(Four Semesters) M.Sc.(IT) courses under Self Financing Scheme (SFS). The Centre has earned the status one of the most exciting and innovative in the Computer Science and Information Technology in the state of Rajasthan. The students of the centre enjoy an active campus life with several invited talks, seminars and interactive sessions by Eminent Experts. A good number of students of MCA and M.Sc.(IT) have made a mark in different walks of life e.g. Government sectors, Research, Teaching, Civil Services, Defense, MNC's, etc. The Department provides learning friendly environment for enabling students to meet global requirement.

#### Infrastructural Facilities

The Students have access to excellent infrastructural facilities. These facilities are augmented

#### Director

Nagar, Pankaj

#### Deputy Director :

Jain, Asha

#### Course Coordinator

by the addition of hardware/software, library and space facilities. The Centre has 4 class rooms with LCD Projector & Internet facilities, a Seminar Hall, Reading Room, 4 Computer Laboratories with latest technologies and the students will enable to have access to international technologies as a part of their course work from several internationally reputed multinational companies and organizations during their final semester.

#### (i) Internet Connectivity

The Centre has Internet connectivity through the University Leased line. The entire building has CAT 5/CAT6 cabling so that the Internet can be accessed from almost any location in the building.

#### (ii) Computer Labs

The computer labs are well equipped with multiple number of computers which are connected through LAN and support diverse operating systems like MS DOS, Windows Vista, Windows 8.1 and Linux. The labs are equipped with wide ranging development tools and platforms such as C, C++, Visual Basic, MS Office, Visual Studio, .Net, Java, Oracle DB2, SQL Server, My SQL, Apache Tomcat, Eclipse, Dream viewer and many more. The students are allowed to work even during off hours. The high-tech laboratory having 60 Pentium i7, 30 Pentium Core 2 Du, 30

Pentium computers & 2 Servers has been established in the centre to fulfill requirement of the courses to support latest technology and environment.

### (iii) Library

The students have access to an in house library, which has more than 11500 books related to Computer Applications and Information Technology. The Centre's Library is computerized and transactions of books through computer. In addition, the students have access to on-line resources, News papers, Magazines & Journals.

#### 1. Ph.D. Programme

Scholarship for Ph.D. Programme in Information Technology Students of this centre has been offered by the University of Wroclaw, Poland since 2007-08 for outstanding students. Collaborative website has been launched between Cornell University, New York and University of Rajasthan, Jaipur from Mar., 2009.

#### 2. Masters' Programme

The Centre is running a **three Years (6-**

### **Semesters) MCA and two years(4-Semesters)**

**M.Sc.(IT)** post graduate professional degree programmes. These programmes are as per recommendations of the Department of Electronics, Government of India and aim to provide the students, with necessary expertise in computer science and software development, so that they can be absorbed as System Analysts/ Information System Specialists/IT Experts etc..

**Admissions in the MCA & M.Sc.(IT) programmes are made through URATPG Admission Test conducted by the University of Rajasthan every year.**

#### **MCA-MASTER OF COMPUTER APPLICATION (SFS COURSE)**

Seats 60 Duration 6 Semester (Three years)

#### **M. Sc. (IT)-Master of Science (INFORMATION TECHNOLOGY)**

(SFS Course) Seats 40 seats  
Duration Four Semester (Two Years)

## Centre for Development of Physics Education

### About the Centre

The Centre for Development of Physics Education was established in year 1978 by University Grants Commission. This was a sequel to excellent developmental work done by the Department of Physics during the University Leadership Programme (1971-78).

The activities of the CDPE are:

- (i) Development of new Physics experiments and literature for under-graduate and post-graduate students as well as research scholars for Univ. of Rajasthan and other institutes. The Institutes such as IIT Bombay; IIT Jammu, BARC Bombay; BITS Pilani, and other prestigious institutes have been using experiments developed at CDPE and representatives from various institutes also get training in CDPE.
- (ii) Design, fabrication and supply of equipments to academic/research institutions on no-profit and no loss basis
- (iii) Providing prompt technical support to the experiments running in different laboratories of Physics Department of University of Rajasthan and also providing technical assistance to other institutes under contact programme. Many of the equipments fabricated in CDPE are a part of syllabus in under-graduate and post-graduate laboratories in this University as well as in others.
- (iv) Development of teaching aids in the form of Computer and Audio Visual Programmes
- (v) The Centre has also been regularly supporting the research groups in Department of Physics for fabrication of equipments and extending IT expertise for examination reforms and academic development.

The CDPE has developed more than 100 experiments in different areas of physics. These equipments can serve both for demonstration purpose

### Director

Singhal, Rishi Kumar

as well as measurements of physical quantities. These have been supplied to many Universities and Institutions in India and abroad.

The equipments developed in CDPE are also being used in training programmes sponsored by ICTP, Italy, at the University of Dar-es-salam, Tanzania, University of Maidugur, Nigeria, and the University of Zimbabwe, Harare. The Coupled Oscillator was awarded First Prize at an International Competition.

The Centre has been supporting various research groups in Physics Department for fabrication of equipment and extending IT expertise for examination reforms and academic development.

The Centre conducts workshops, exhibitions and training programmes for college teachers and also school children through INSPIRE Programme of DST, Govt. of India.

### Infrastructural Facilities

The CDPE is equipped with:

- (i) Mechanical Workshop which is equipped with a Lathe Machine and a Milling Machine
- (ii) Electronic Workshop which is equipped with measuring, testing and assembling equipment for electronic circuits.
- (iii) Computer Lab equipped with five computers with online support

There is a Museum that houses equipment developed by CDPE, is a major attraction for visitors and students of Physics.

## Centre for Non-Conventional Energy Resources

### About the Centre

Reliable supply of energy is a key issue of this century. With the aim to achieve this need of human life, Centre for Non-Conventional Energy Resources was established in the year 2000. The aim of the centre is to work for Green power.

The UGC has sanctioned an innovative one year M.Phil. degree course in Energy. This course deals with the issues of alternative energy sources and sustainable development. The aim is to perform an objective cost-benefit analysis on each form of alternative energy to determine large and small scale application. Particular attention is on the efficiency and limitations in terms of usable energy. This course provides a chance to students to work for energy problems of our country by providing them training in both theoretical and experimental aspects.

### Infrastructural Facilities

The Centre has a research laboratory equipped with sophisticated equipments. Following are the available facilities at this centre:

1. UHV ( $10^{-9}$  Torr) E-gun evaporation technique
2. HV ( $10^{-9}$  Torr) E-gun evaporation technique
3. HV ( $10^{-9}$  Torr) Thermal evaporation technique
4. High Energy Ball Milling for nanomaterials

### Director

## Indira Gandhi Centre for Human Ecology, Environmental & Population Studies

### About the Department

The Indira Gandhi Centre for Human Ecology, Environmental and Population Studies was established in the year 1984. The Indira Gandhi Centre was granted the status of a Department of the University of Rajasthan on December 31, 1997. The Department, under the COSIST programme with financial and other support from the UGC, has introduced a two-year Master's degree course (M.Sc.) in Environmental Science since July 1997. One Year P.G. Diploma courses in Human Ecology, Environmental Studies and Population Studies were introduced since 1984-85.

### Infrastructural Facilities

A well-equipped research laboratory with latest equipments (like UV-Spectrophotometer, Atomic Absorption Spectrophotometer, B.O.D. Incubator, Sound Level Meter, ovens, water testing kits) is available in this Department. The Department has a rich library with 2500 books and subscription of several journals. There is a Computer Lab with internet facility and Wi-Fi connection in the department.

### Ph.D. Programme:-

#### Thrust Areas

- Desertification Process and its control
- Municipal Solid Waste Management
- Fluoride in drinking water and fluorosis problems in Rajasthan
- Nitrates in drinking water and health problems
- Textile waste water and adverse effects

### Director

Chauhan, Surendra Singh

### Assistant Professors

### Department of Anthropology

#### About the Department

Anthropology is the scientific study of culture and biology of man. The distinguishing mark of the subject is the contact of an anthropology with living Societies. Anthropology is a 'laboratory science' as well as a 'field science.' This makes the subject equally popular amongst students of science as well as arts background.

The department was established in 1991 as a response to undertake studies to bridge the gap between perception of the people and the agencies of development. This is the only department of Anthropology in Rajasthan. It offers the following courses:

- (i) Post Graduate
- (ii) Doctoral

The employability options for students are teaching, research and development sector.

## Department of Public Administration

### About the Department

The Department was established in 1957 and is among the earliest departments of public administration in India. Extremely rich in academic potential and having significant faculty strength, it ranks easily among the largest departments in this discipline. The department has produced a significant number of Fulbright and Commonwealth scholars, academicians, political leaders and administrators.

Commemorating 50 years of its establishment in 2015-16, the department has organized a golden jubilee lecture series, workshop, symposia, debate and essay writing competition. With its emphasis on research and to explore new thrust areas in the field of public policy and administrative thought, the department has initiated a lecture series "Words of Master" where lectures will be delivered by eminent scholars of interdisciplinary fields. The department also plans to organize an innovative programme "Meet with Administrators" where distinguished bureaucrats will directly interact with students.

The Department has achieved high position in last decades. Many Staff Members have been awarded Fulbright Fellowship (USA), Commonwealth Academic Fellowship (U.K.) Indo Canada Shastri Fellowship (Canada) and various International Post Doctoral Fellowship under bilateral relations and Cultural Exchange programme.

In addition, the department is enthusiastically working on publishing a bi-annual referred journal in 2019 to encourage quality research and to contribute to policy decisions. While recognizing its responsibility towards society and environment the department has started a "Clean and Green Initiative" where plantation drive is carried out and cleaning activities are undertaken.

**Infrastructural Facilities-**The Department has good infrastructure with Smart Class Room (proposed), Seminar room, Departmental Library and sufficient space for Staff.

## Centre for Gandhian Studies

The **Centre for Gandhian Studies** is an institution where performed various Academic Researches, Social Services and Collaborative Activities are performed. Formerly it was known as Gandhi Bhawan that established long back in 1965.

In 1985, the Academic Council of University of Rajasthan raised the status of the Gandhi Bhawan and transformed it into the 'Centre for Gandhian Studies' and also approved M. Phil. Programme in Gandhian Studies that further led to Doctoral and Post-Doctoral Degrees. The academic programme of the Centre for Gandhian Studies is supported and adopted by other subjects of Social Sciences that have provisions of papers/ topics based on the themes of our programme at their Under Graduate and Post Graduate level.

### The Centre for Gandhian Studies mainly focuses on:

- (i) The Study of Gandhi, the Gandhian Literatures and other relevant Gandhian thinkers with their theoretical as well as practical aspects.
- (ii) Understanding peaceful methods and techniques of conflict- resolution.
- (iii) Formulating Gandhian principles at local, national, and international levels.
- (iv) Determining appropriate and intermediate technologies for developing societies.
- (v) Experiments of Gandhian techniques applied in India as well as various other parts of the world.
- (vi) Organizing Conferences and Symposia, Providing Library Visits, Publishing Surveys based on Gandhian Constructive Programmes and others Organizations.
- (vii) Operating an academic link between University Fraternity (teachers and students) and other Gandhian Organizations, Government and people supporting Gandhian Perspective.

### Director

Dr. Rajendra Prasad Sharma

### Structure:

The Centre is situated in the midst of the University Campus. It started with two small rooms in 1965, but now possesses one big Class Room, one Director's Chamber, one Office-cum-Library, one Prayer Hall, and a beautifully cultivated Lawn. Its calm and serene atmosphere is quite congenial for study, academic discussion and analysis that propagates Gandhi & Gandhian ideas.

The library has about 4000 books, some records of speeches of Mahatma Gandhi, Several Reports and many M. Phil. Dissertations submitted by the scholars.

Prof. V.R. Mehta, eminent political theorist and former Vice-Chancellor, Delhi University was the founder Director of the Centre. In later years the Centre received the leadership of so many eminent Gandhian Scholars. Presently the Director of this Centre is Dr. Rajesh Kumar Sharma, Associate Professor, Department of Political Science who has had a long association with this Centre since his student life and served the Centre as a regular teaching faculty. Dr. Sharma has revived the Centre completely. He not only updated the library but also his assiduous efforts had credited the Centre with so many Journals. Now a days the *Priya Bhajans* of Gandhi Ji are being played throughout the day that fills the hearts of visitors with solace and positivity. There are a lot things to be done in this direction. He is willing to revive M.Phil. Course and start a Certificate and a Diploma Course, enthusiastic to publish Research Journal regularly. He also wants to develop a Gandhi Museum, a Digital Library and Digital Gallery of Mahatma Gandhi which will be beneficial for student, visitors and tourists also.

## Centre for Museology and Conservation

### About the Centre

Centre for Museology & Conservation, University of Rajasthan, Jaipur (CMC-UOR) was established in July, 2006 with a view to promote studies on museology and generate awareness about the conservation of museum objects. Museology as a discipline explores the history of museums and their role in society, as well as the activities they engage in, including curating, preservation, public programming, and education.

New perspectives of museology are emerging as a way to revitalise the educational role of museums. The inherent trend of New Museology is that it involves some form of radical reassessment of the roles of museums within society. A discourse of critical museology also emerged, intensifying around the turn of the 21st century. Critical museology extend its fold beyond the traditional museum to include cultural centres, heritage sites, memorials, art galleries, etc. In the context of India and other colonial countries, critical museology also attempts to address the problematic colonial pasts of museums through the decolonization and indigenization of museums.

The latest movements in museology tend to focus on museums being interdisciplinary, multi-vocal, accessible, and open to criticism. While these critical discourses dominate contemporary museology, there are many different kinds of museums that exist today, some of which are engaged in new and innovative practices, and others that are more traditional and less critical.

Centre for Museology & Conservation, University of Rajasthan, Jaipur runs an innovatively designed post-graduate course - M.A. in Museology and Conservation, a four semester course with a duration of two years. The centre is first of its kind in Rajasthan to have a conservation laboratory of its own. The centre has witnessed a remarkable growth during the last decade. It has organised a series of lectures, workshops, and seminars by inviting renowned experts from India and abroad. The centre has also brought out some important publications and has worked in collaboration with external bodies like INTACH, ASI, IGNC, NMI & University of Leicester, UK. The Centre also possesses a library.

## Centre for Mass Communication

### About the Centre

The Centre for Mass Communication, University of Rajasthan, Jaipur came into being in 1991. The Centre has made appreciable headway in the last two decades. So far, nearly 1100 students have studied at the Centre and a large number of them are working in different spheres of the media. In 1991-92 under the self-financing scheme the Centre started a one year P.G. Diploma Course in Journalism. This was later converted into a one year Bachelor Degree Course in Journalism and Mass Communication (BJMC) in 1992-93. From the academic session 2001-02, it has been replaced by a two-year Master's degree programme.

It is heartening to note that the Centre has carved out a niche for itself in the field of Media Education amongst the Universities of India. Eminent journalists and media persons have contributed their mite towards its growth in various ways. Conferences, seminars, workshops and discussions have been organized under the aegis of the Centre from time to time. These have enabled the students to present their views in a free and frank atmosphere.

### Infrastructural Facilities

Well-equipped library, computer lab and a TV Studio.

### Director & Professor

Sharma, Krishna Gopal

### Dy. Director

Arha, Abhimanyu Singh

### Asst. Director

## Shri Guru Gobind Singh Centre for Sikh Studies

Sri Guru Gobind Singh, the tenth Guru of the Sikhs, occupies a distinctive status in the evolution of Sikhism and in the history of India. He belongs to the pantheon of great thinkers, social leaders and religious icons who have left a lasting impact not only on India but the whole world through their revolutionary and path-breaking thoughts and actions. From time to time, their social, political and ethical vision has provided strong foundation and guidance to the nation. There is a great need to acquaint teachers and students with their thought and contribution by disseminating their thought and vision through research, lectures and extension programmes.

The Sri Guru Gobind Singh Chair for National Integration and Sikh Studies has been recently created at the University of Rajasthan to commemorate the 350th Birth Anniversary of the founder of Sikhism and to strengthen and celebrate his legacy. Set up through a special grant from the Ministry of Culture, Government of India, the Chair is one of the most significant academic initiatives undertaken at the University of Rajasthan in recent years. It aims to promote research, examination and dissemination of the teachings of Sikh Gurus with special reference to Rajasthan and plans to engage in comparative studies in major religions as a means to promote National Integration and inter-faith understanding.

The Sri Guru Gobind Singh Chair for National Integration and Sikh Studies pursues a variety of academic and research activities ranging from Seminars, Symposia, Extension Lectures and Conferences to Audio-Visual shows in order to fulfill its unique mandate.

**OBJECTIVES OF THE CHAIR** include the following

- Examination and dissemination of the teachings of Sikh Gurus with special reference to Rajasthan.
- Comparative Study of Major Religions of the world- Sikhism, Buddhism, Hinduism, Jainism, Christianity and Islam.
- Collection and Compilation of source material on themes related to Sikh society, religion and culture.

**RESEARCH PROJECTS** identified under the Chair include the following themes and projects for research in the first few years :

- 1 **Sikh Gurudwaras in Rajasthan**- The proposed project would document and compile the history of Sikh Gurudwaras in Rajasthan and their contribution to religious, social and community life.
- 2 The contribution of Sikhs to the economy, society and culture of Rajasthan.
3. Visits and links of Sikh Gurus to various centres of Rajasthan such as Pushkar (Ajmer District), Naraina (Jaipur District), Bagor (Bhilwara District) etc.

#### INTRODUCTION

A divine messenger, a spiritual master and a remarkable social philosopher, **Guru Nanak Dev** occupies a unique place in Indian History. The first Guru of the Sikh religion, **Guru Nanak Dev** (1469-1539) was one of the greatest socio-religious innovators of all time.

#### Director

Born in Talwandi near Lahore, Nanak was fascinated by religion and spiritualism since childhood. Sikh tradition has a much-loved set of stories or *janam sakhis* which relate various incidents from his life. These reflect that his early years were full of events which demonstrated that God had marked him out for something special and was keeping an eye on him.

Born in a family of Hindus, Guru Nanak soon showed an advanced interest in religion and studied Islam and Hinduism extensively. Even as a child he demonstrated great ability as a poet and philosopher. One famous story about Guru Nanak tells of his rebellion at the age of eleven. At this age Hindu boys of his caste would start to wear the sacred thread to distinguish them, Nanak refused, saying that people should be distinguished by what they did and their individual qualities, rather than by a thread.

Guru Nanak Dev continued to demonstrate a radical spiritual streak - arguing with local holy men and sages, both Hindu and Muslim, that external things like rituals, pilgrimages and penances were of far less spiritual importance than internal changes to the individual's soul. He travelled as a saint all over Central Asia and the Middle East and made five major journeys, known as 'Udasis'. During the course of his travels, he interacted with many religious people and preached his own belief of one Supreme Being.

Nanak's religious ideas draw on both Hindu and Islamic thought, but are far more than just a synthesis. Nanak was an original spiritual thinker and expressed his thoughts in extraordinary poetry that forms the basis of Sikh scripture. The last part of his life was spent at Kartarpur in the Punjab, where he was joined by many disciples attracted by his teachings.

The most famous teachings attributed to Guru Nanak are that there is only one God, and that all human beings can have direct access to God with no need of rituals or priests. His most radical social teachings denounced the caste system and taught that everyone is equal, regardless of caste, creed or gender.

In an era when people of diverse faiths live in mortal fear of clash of cultures, and the so-called civilized nations compete in the manufacture of destructive weaponry, Guru Nanak's message of peaceful co-existence and mutual trust acquires a special urgency. Historically, Guru Nanak launched his movement for peace and love in the fifteenth century, but his message has a timeless quality and universal appeal. His teachings to promote equality and mutual respect are as true and compelling in today's world as they were 550 years ago !!

### INTRODUCTION

The University Commerce College is one of the biggest colleges in Rajasthan having more than 4,000 students on roll. The University Grants Commission has recognized the College as "College with Potential for Excellence (CPE)" in the year 2011.

Apart from traditional courses like B.Com (Pass Course) and B.Com (Hons.) the College has gained prominence in recent years in running professional courses-BBA and BCA. The opening of Bhartiya Chintan Anusandhan Kendra in December, 2015 is one of the greatest achievements of the college in recent years. This centre has about 1700 books on Life and Thoughts of Indian Thinkers as well as Indian Scriptures. Videos on life, contributions, speeches of eminent Indian Thinkers are also available in the centre.

The College has organised the All-India Commerce Conference twice, in 1977 and 1995. It also successfully organized various National & International Seminars and Conferences such as "Changing Perspectives in Management Education" (2004), "Globalisation and Changing Business Environment in India"(2004), "Globalisation: Myth or Reality?" (2005), "Emerging Issues in Commerce and Management" (2006), "Corporate Governance and Ethical Issues in Changing Economic Scenario" (2009), "Professional Orientation of Business Education" (2010), International Seminar on "Rural Marketing"(2010), National Seminar on "MNREGA: Opportunities and Challenges" (2011) and National Seminar on "Emerging Issues in Tourism: Opportunities and Challenges"( 2015). The college organised a National Seminar on GST Issues and challenges in India in the month of January, 2018. In addition, the college organised many seminars and special lectures in the session 2018-19 to enrich the knowledge of the students. In the month of December, 2016 Diamond Jubilee Celebration was organised in which different students activities like quiz contest, power point presentation and lectures were organised. Foundation Day was also organised on 14<sup>th</sup> December, 2017.

The College has two big play grounds. It also has

three A.C. Computer Labs having 77 computers. The college has a smart classroom and a language lab. The college has a rich library with a very large number of books, many prestigious journals and magazines.

A large number of our students have qualified in professional examinations like CA, CS, ICWA, MBA and MCA courses. The achievements of the College in the field of games and sports, NSS, NCC and Scouting are highly commendable. Recently, some students have been selected and placed in reputed organizations. The College has highly qualified and experienced faculty for providing quality education in Commerce, Business and Management and Computer Science.

During 2018-19 students of the college participated in all of the Inter College Tournaments organised by the University of Rajasthan. Many of the Students selected in University teams to participate in the Inter University Tournaments namely in Cricket, Zudo, Handball, Hockey, Shooting, Volleyball, Football etc. In the session 2018-19 Commerce College also organised **Rajasthan University Inter Collegiate Football (Men) Tournament**. Divaynshu Puri of B.Com-II performed excellently in the game of Judo and won Silver Medal in All India Inter University Judo Tournament held at Guru Nanak Dev University, Amritsar (Punjab). Divyanshu also selected in All India University Team which will participate in **World University Games to be held in Napoli (Italy) from July 3-14, 2019.**

The college is continuously upgrading its infrastructure in achieving excellence in commerce education in Rajasthan. The college has developed a Smart Class Room, Language Lab and research facility for teachers with the help of the UGC and the University. These advanced learning centers are fully equipped with all teaching aids of advanced level such as interactive board, visualizers, multimedia projectors and LED presentation systems. These facilities are also helpful for the students of SC, ST,

OBC minorities and other less privileged sections of the society. The college has also installed an advanced security system through CCTV cameras with continuous power supply and backup system

### INTRODUCTION

Recognised by the Bar Council of India, the University Law College is a constituent college of the University of Rajasthan and one of the oldest law- schools in India imparting legal education. The Law College, as it was originally called, was established in Jaipur by the government of the erstwhile State of Jaipur in 1947, that is the year corresponding with the foundation of the University of Rajasthan. It was housed, first in the building now known as the University Maharaja's College and had 306 students, a full time principal, one Reader, three Part-time teachers, In the beginning, only a two-year LL.B. Course was started from 1947 to 1952 and the Law College was affiliated to the University of Rajasthan. On July 1, 1953, the College was transferred by the State Government to the University of Rajasthan.

The foundation stone of a separate Vidhi Bhawan was laid by Shri Barkatullah Khan, the then Chief Minister of Rajasthan, On Friday, 22<sup>nd</sup> December 1972. Teaching began in this building from the session 1975-76. During the session 1993-94, the College was declared by the UGC as a Constituent College of the University of Rajasthan, Jaipur.

University Maharaja College, one of the oldest and most reputed colleges of India, was established in the year 1844 by Sawai Ram Singh as Maharaja's School, at that time located at Manak Chowk close to Hawa Mahal with about 40 students to impart education mainly in Hindi, Persian, English, Sanskrit and Urdu. In 1873, the College was upgraded to intermediate level and got affiliated to Calcutta University. Later in 1890, it was affiliated to Allahabad University for Bachelor of Arts (B.A.) degree and subsequently raised to post graduate status in 1896. In 1897, Bachelor of Science (B.Sc.) all major subjects and M.A. in English were also introduced. History, Philosophy and Mathematics were introduced at Post Graduate level in 1927. In 1933 The College was shifted to the present building which was constructed at a cost of Rs. 8.5 Lakhs at that time. Commerce was introduced in the curriculum in 1940 and Faculty of Law was set up in 1947. Before the establishment of University Maharani College in 1944, the college was imparting education to both boys and girls. The College became a constituent college of the University of Rajasthan in 1962 and since then it is offering under-graduate science courses to boys.

Maharaja College is celebrating its 175<sup>th</sup> Foundation Day in October 2019. The College was granted status of "College with Potential for Excellence (CPE)" by the UGC in 2011 and the status of "Star College" by the Department of Biotechnology, Govt. of India in the year 2016. The College campus has a total land area of 19.47 acres with built-in-area of 1,20,000 square feet for main college building with Heritage status. Later, the IT building spread over 5000 square feet area has also been constructed in the college premises. College has well equipped modern science and computer labs with total area of nearly 65,000 square feet, many of these labs have been recently renovated under RUSA program.

Apart from imparting education in B.Sc. Pass and Honours courses the college also offers self-finance BCA course. More than 2600 students are getting education in this college. The College campus has its own boys hostel with a capacity of nearly 200 students. Well furnished College library houses more than 1 lakh books and magazines. Sports facilities include three Volleyball courts, two Tennis Courts and one Basketball Court. Gymnasium and facilities for indoor sports are also available in the college for students.

Four units of NSS and four units of NCC (1 Raj BN, 7 Raj(I) Coy, 3 Raj NAVAL & 1 Raj AIR SQ) are functioning in the college. Almost every year the NCC Cadets participate in the National Integration Camps and the Republic Day Parade at Rajpath, New Delhi. In 2018-19

one NCC volunteer attended the prestigious IMA Camp. One NSS volunteer from the college participated in the Independence Day parade. For NSS Volunteers three one day camps and one 7 days special camp are organized by the College every year. During the seven days special camp organised for NSS volunteers from 19-01-19 to 25-01-19, various group task activities such as campus clean drive, plantation and yoga practices were undertaken to develop self discipline, leadership qualities, cleaning habits and to enhance interpersonal skills. During the camp, two workshops on "Road safety and traffic rules" and "Sports injuries and their physiotherapy treatment" were organized and Arjun awardee, Mr. Gopal Saini (middle distance runner) was invited to deliver a motivational talk. In the valedictory function of the camp awards were given by the Principal, Vice principals and NSS programme officers to NSS volunteers and sports event winners as appreciation for regularity, punctuality and active participation.

All-round development of students is ensured by organizing talks of eminent Guest Speakers, seminars, Career counseling sessions, poster making competitions, annual quiz and cultural events throughout the year. During past years, several placement camps have been organized by national and multinational companies for the students in College campus.

Inter-College Cultural Fest 'AQUAREGIA' organized in College has gained much popularity and attracts participants from various institutions of Jaipur. Students of the college secured first position in youth festival of University of Rajasthan in the Folk Dance and Western Dance competition. Several "Nukkar Natak" related to social issues were performed to motivate masses. It has been another year of excellence in extracurricular activities as the College teams won many trophies and medals in various cultural and sports events held at other institutions at the State and National level.

UGC. Under this scheme, the college has been provided with funds to conduct advance level short/long term courses/workshops/seminars etc in various aspects related to Computer Application, Geography, Business Administration, Fine Arts, Home Science, Animal Physiology, Zoology, Vocal & Instrumental Music, Yoga and Stress Management, Meditation, Techniques of Language Learning, Training in Soft Skills and Personality Development and many other areas. Under this programme many Workshops, Seminars and Lectures have been organized for the benefit of the students. These courses are specially designed for equipping our students with necessary skills to compete and excel on global level.

The college has become one of the most coveted institutions for girl students desirous to attain quality education, thanks to its highly qualified, dedicated and devoted faculty. Besides facilitating students for achieving academic excellence, the college focuses on over all grooming of students and provides them ample opportunity for participating and excelling in co-curricular activities such as N.C.C., N.S.S., debates, drama, dance, music (Vocal and Instrumental), essay writing and poetry, drawing and painting throughout the year.

The college organizes annual prize distribution to motivate the students to excel both in academics and co-curricular activities. 64 Gold medals, 50 Cups and trophies are awarded every year to students excelling in academic merit and extraordinary performance in social service, sports, NCC, NSS and other co-curricular activities

## OTHER FACILITIES

## Co-curricular Activities:

In order to ensure all-round development of students, the college organizes seminars, cultural programmes, competitions and excursions every year. NSS and N.C.C. (Air Wing, Navy Wing and Army Wing) programmes as well as Sports and Games for students are a regular feature of the college.

Students hone their talent through various activity clubs. There are 7 activity clubs like Dance society (Nartana), Dramatics society (Rangsheel), Photography society (Oh! Snap), Music society (Naad), Fine Arts society (Art attackers), Hindi Literature (Tehreer), English Literature (Eclectics) in the college which are run by the students only. In order to hone the organizational skills,

develop leadership qualities, and inculcate the spirit of team work, the students are encouraged to organize the annual youth fest-Veethika under the guidance of teachers. During this fest, the students of not only Maharani College but also from other colleges participate and get an opportunity to showcase their talent in cultural and academic activities. A college exhibition is also held every year to help students translate abstract ideas into concrete form.

## Library:

The college has a rich, well equipped library consisting of more than one lakh books, Encyclopedias, and latest publications, journals, CDs, VCDs etc. which are available to all the students. The College also runs a Book Bank for providing books on loan for needy students. The graduating students are encouraged to donate books for the book bank.

**Laboratories:**

The college has laboratories with all modern equipments and latest facilities for experimentation for Life Sciences, Chemistry, Computers, Drawing and Painting, Home Science, Physics, Psychology, Statistics and Geography.

**Counseling Cell:**

A counseling cell has been set up to provide counseling services to college students to help them to deal with emotional and social problems and also to ensure healthy personality development.

**Canteen:**

Canteen is a very popular corner for students serving delicious and hygienic and wholesome food.

**Campus**

The college is housed in a huge campus. Facilities for both indoor and outdoor games are available in the campus. There is a badminton court, basketball court, cricket field, volley ball court in the college. The college has lush green lawns with ample plantation in the campus. On the occasion of Foundation day of the college, faculty and students undertake plantation drive every year.

**Auditorium:**

Savitri Bhartiya Hall is a grand auditorium that has hosted a large number of memorable functions over the years and is yet to witness many more to come.

**Hostel:**

There are two hostels, Annie Besant hostel and Mother Teresa hostel within the college campus that strive to provide comfortable accommodation for students. Admission in the hostels is given on merit basis. Two more hostels are under construction.

A college which began with only 11 students and 3 teachers has now grown into one of the most popular and a populous institute with around seven thousand registered students, 185 faculty members and has become a 'guild of quality' and a family of 'intelligentsia'.

Candidates seeking admission to the college are welcome. They have to apply separately for the four streams-Science, Arts, Commerce and Home Science offered by the college. They are required to fill up separate application forms for the Honours and Pass courses respectively with subject combinations and code numbers. Students are also required to fill up separate application forms for each Honours subject they are seeking admission to

## UNIVERSITY CENTRAL LIBRARY

The Central Library building is located near the main gate of the University. It has a seating capacity of about 700 students. It has collection of more than 5 lac books, bound periodicals, etc. The Library subscribes to a plethora of current journals in physical form relating to various subjects. In addition, about 10500+ e-journals are available for online access under e-Shodh Sindhu Consortium. RFID system has been installed for in house operations of the Central Library.

A new building of the University Central Library has been constructed with a financial assistance of nearly 12 crore rupees from UGC under UPE grant. This building will be soon made operational.

In addition to book lending, the Library provides the following services:

- \* Reference Service
- \* Reprographic service
- \* E-journals on-line accessibility
- \* Internet and e-mail facility
- \* CD ROM Database Search services offline
- \* Research Reference Guidance Service
- \* Braille Section for visually impaired persons
- \* OPAC service

The books of library are classified in different categories, such as general books, text books, reference books, theses, reports. The periodicals are segregated into two groups: pre-1975 and the rest.

### THE ABU COLLECTION:

The library has a rich collection of old documents, including the collection of erstwhile British Resident at Mount Abu, which is popularly known as 'The Abu Collection'. This includes Government reports, gazetteers, and other publications dating back to early 19th Century. These are of enormous value for historians, economists & sociologists and researchers of allied disciplines.

\* (ABU collection is now available on Digital India in digitalised format.)

## UNIVERSITY HOSTELS

The University and its Constituent Colleges have well furnished hostel accommodation for the students. Hostels are earmarked for particular courses/streams or college campuses. The University is at present running 19 Hostels, out of which 14 are in the Main Campus and rest are situated in the Constituent Colleges.

Every Hostel has its own unique tradition. Youth festival is organised in each hostel every year. This festival leaves a memorable imprint on hostel inmates. An inter hostel Youth Festival, 'Basant' is also organised so as to provide common competitive platform for the manifestation of cultural talents of the hostel inmates.

**Note :** Only those students who are admitted in the

University department/institute / college will be eligible for admission to the University Hostel. If any student fails at the main examination or does not appear in the examination / Compartment / Back / Due, even in compulsory subject then he/she will not be eligible for admission/ readmission in the hostel. Forms for admission the Univ. hostels will be filled online and hard copy of there forms are to be deposited in the chief wardens office. It must be noted that students who are pursuing SFS courses can be considered for Hostel admission if the seats are vacant in the respective Hostel. Hard copy of filled Hostel form will be submitted to respective Head / Principal/ Director of Department/ College/ Institute and Centre.

## RAJASTHAN UNIVERSITY NETWORK (RUN)

### RAJASTHAN UNIVERSITY NETWORK

The University of Rajasthan has created the Campus Wide Area Network (CWAN) named RUN (Rajasthan University Network RUN is based on Gigabit Ethernet Technology with Optical Fiber Backbone. The core switch [Cisco 6513] is located in the Infonet Center. The Zonal switch [Cisco 4507] is located in Vigyan Bhawan which caters to the nearby buildings, University Commerce College and University Rajasthan College. University Maharaja's and Maharani's Colleges are linked through BSNL leased line.

The buildings of the University main campus are connected to Core/Zonal Switch through Optical Fiber Backbone. Layer 3 Managed switch are being used to distribute and control connectivity to each room in the main campus buildings wherever RUN is operational. Each port can be controlled through Core Switch and the network is fully manageable.

### NATIONAL KNOWLEDGE NETWORK

The NKN comprises of an ultra-high speed CORE (multiples of 10 Gbps), complimented with a distribution layer at appropriate speeds. Participating institutions at the Edge will connect to the National Knowledge Network seamlessly at speeds of 1 Gbps or higher. The network is designed to support Overlay Networks, Dedicated Networks, and Virtual Networks. Advanced applications in areas such as Health, Education, Science & Technology, Grid Computing, Bio informatics, Agriculture, and Governance will be an

**Director**

**Dr. K V R Rao**

**Dy. Director**

**Dr. Pankaj Nagar**

integral part of NKN. The entire network will seamlessly integrate with the global scientific community at multiple gigabits per second speed. The purpose of such a knowledge network goes to the very core of the country's quest to build quality institutions with requisite research facilities and create a pool of highly trained persons. The NKN while impacting the existing academic and student community will also alter the R&D landscape for future generations.

The Rajasthan University Network is part of the National Knowledge Network (NKN). NKN is providing 1 Gbps internet bandwidth and IP space. NKN has all IITs, TIFR, BARC, SINP, IISc, HRI, COAC, IMT, VECC, Institute of Mathematical Sciences and other premier institutions. Access of any system on NKN will utilize Intranet bandwidth. Every registered system on RUN has a unique NKN IP address. University is complying with IP Usage policy, Operations policy and Security policy of NKN.

The purpose for usage of NKN network a) higher knowledge/advanced studies b) regular studies c) research development. The average usage level in a month and in a year in term of Gbps/Mbps is as 50 Gbps and 1000 Mbps. The NKN connectivity is available on 24x7 basis without any restrictions and all the telecommunications are sufficiently reliable.

## OPEN SOURCE INITIATIVE

The University subscribes to the philosophy of Open Source Initiative and has adopted a policy of optimum utilization of freeware. Linux-Apache-Mysql/Perl/PHP (LAMP) platform is employed for all applications

## UNIVERSITY SERVERS

**The University may take phase wise initiative to achieve goals like**

- Student Server: providing mail service and web space to students (II Phase)
  - + Intranet for Examination Databases (II phase)
  - + Video Conferencing (II phase)
  - + VoIP based Solutions for Communication facilities in all rooms (II phase)
  - + Internet Banking Operations for all banking transactions (Implemented partly)
  - + Intranet for paperless administration (II phase)
  - + ERP for University (III Phase)
  - + Virtual Classrooms and Online Multimedia based).
  - + Educational Services (III phase).
  - ± Extranet for affiliated institutions (III phase)
  - + Online Library Catalogue (III phase) + Online Examination (III phase)
  - + Video Conferencing with affiliated Institutions (III phase)
  - + Classroom Monitoring System (III phase)
- Please go through the disclaimer before viewing contents on University websites. The HoDs', Director', DR of concerned units are responsible for information on University website which is technically managed by Infonet Center

## INFONET CENTRE

The technical responsibilities assigned to the Centre are (i) to coordinate all activities pertaining to UGC Infonet project at the University end, (ii) to technically maintain access to e-journals available under Infonet project or subscribed by the University Central Library, (iii) to maintain University Websites, (iv) to maintain University Mail Server, (v) to maintain University Result Server, (vi) to maintain University Research Server, (vii) to maintain the Open Archive Repository, (viii) to manage hosting of e-content on University Server and promote e-content development, (ix) to maintain Rajasthan University Network and coordinate with the NKN

## UNIVERSITY WEBSITE

Almost all syllabi are available through the link - Syllabi on the main page of <http://www.uniraj.ac.in> University prospectus and information about University, Jaipur and Rajasthan are available at a click. Several university circulars, advertisements, tender notices are made available through respective pages on Administration tab. Each PG Department has its own page. Contact details of all members of the Syndicate, Senate, Academic Council, and all faculty members are made available. E-journal access is made easy through e-journal access page.

E-contents developed by some faculty members can be accessed. The main page also provides a link to other servers viz. daak server, result server, research server and earxiv server. Students may ask the faculty members about online resources provided by them on the University website.

University website was also integrated to integrated portal on higher education website of Rajasthan State

## EXAMINATION TIME-TABLE ON WEBSITE

Examination time-table would also be made available on the university website.

## CURRENT STUDENTS TAB ON UNIVERSITY WEBSITE

Students can access information relevant to them through the "Current Students" tab available on the main page

## University Result Server

A milestone achievement of the Infonet Center is the University Result Server, which was fully developed and designed on Fedora linux platform using PHP as front-end interface and MySQL database at back-end by the Infonet team. With this achievement, now the University is fully enabled to keep online all the results of University examinations. Computer firms processing the University examination work are allowed to upload the result data files directly to University servers. A system for universal mark-sheet format is being evolved for quick and easy printing of mark sheets by the Examination Section

## UNIVERSITY RESEARCH SERVER

With the view that ongoing research efforts at the University of Rajasthan are not duplicated elsewhere, the Chancellor directed the University to make available all information about ongoing research work of Ph.D. students on the University website. The University of Rajasthan launched the Research Server providing all the necessary information about the research topic including the synopsis in PDF format. Online Comment Submission Form is included using which any interest user can make comments on the ongoing research work. Comments so submitted are forwarded by e-mails to the student, supervisor and Deputy Registrar, (Research) for necessary action. This ensures transparency and accountability

### UNIVERSITY OPEN ARCHIVE REPOSITORY

The University of Rajasthan has set up an Open Archive Repository where every researcher shall deposit a copy of his/her publications or presentation so that it can be easily accessed through internet. The University Open Archive Repository with URL <http://earxiv.uniraj.ac.in> was launched by the Secretary, UGC, New Delhi. The online submission facility is available on NIS authentication. University will also be launching online notice and news and views services too.

### BLADE SERVER AND SAN SOLUTION

University has acquired new Blade Server and SAN solution because of the following reasons:

The demand for greater data centre capacity in further and higher education is rising rapidly, for reasons which include:

1. The growing use of internet media and online learning, and demands for faster connectivity from users.
2. A move to web based interfaces which are more compute intensive to deliver.
3. Introduction of comprehensive enterprise resource planning (ERP) software solutions which are much more compute intensive than earlier software;
4. Increasing requirements for comprehensive business continuity and disaster recovery arrangements which results in duplication of facilities;

5. Increasing digitization of data; and
6. Rapidly expanding data storage requirements.

Blade servers pack more computing power into a smaller physical footprint. Going a step beyond rack servers, blade systems offer the Educational institutions have some characteristics in attitude that result in special requirements for the underlying technical infrastructure used for the education process. Those requirements are quite different from those of operational businesses: Unlike enterprise systems used in their intended context within companies, educationally dedicated systems have to bear the peculiarity of the educators' usage patterns. There are three main characteristics that can be identified: long-term discontinuity, short-term discontinuity and atypical workload.

For infrastructures with multiple backup solutions, SAN allows for the consolidation of your backup and recovery process to one centrally managed software package. SAN provides the ability to backup files, physical servers, and virtual servers, among other key business applications like SQL. Not only did this prove to be an overhead cost on training of IT staff, but complicated their backup and recovery process.

### University Science Instrumentation Centre

University Science Instrumentation Centre (USIC) caters to instrumentation related needs of the Science Departments. For maintenance of equipment, it has electronics, glass blowing, refrigeration section and Mechanical workshops. It also provides centralized facilities on scientific equipments of sophisticated nature. The available facilities of this centre are being used by faculty members and research scholars of nearly 20 institutions of this state. Centre has the following Major Sophisticated equipments:-

- Transmission Electron Microscope (TEM)
- FEI Scanning Electron Microscope (SEM)
- Pyrolysis GC-MS set-up
- LC-MS set-up
- Superconducting Quantum User Interface Device

## Students' Advisory Bureau

Student Advisory Bureau, established in the year 1962, aims to provide information on courses and combinations available in different Universities and Institutions of India and abroad. We enhance the reach and scope of available opportunities for the students and prepare them for future challenges. The Bureau helps the students with appropriate guidance to establish linkages with the world of work and locate career opportunities vis-a-vis the realities and job profiles, in the context of highly competitive occupational patterns. There is a vast gap between perception about the market demands and individual expectations. We bridge

Dr. Deepak Saxena

Students' Advisory Bureau them through psychological and confidence-building measures. The Bureau supports the students in the development of soft skills and develops the ability to challenge the rigors of competitive tests and on job training. It is a centre of information, guidance and counseling with free accessibility and internet based global connectivity for exchange of information on professional placements.

## UGC-Human Resource Development Centre

The UGCHuman Resource Development Centre (known as Academic Staff College, prior to April 1, 2015) of the University of Rajasthan, Jaipur was established on 11th May, 1988 under UGC's scheme of setting up Academic Staff Colleges (ASCs) in suitable universities in India, in the wake of National Policy on Education (NPE) 1986 which emphasized the crucial link between teacher motivation and the quality of education.

As per UGC XII Plan revised guidelines, the existing Academic Staff Colleges have been renamed as UGC Human Resource Development Centres (HRDCs) w.e.f 1st April, 2015.

On the initiative of the MHRD, in 2012, the NAAC peer review committee had visited our ASC (HRDC) for its accreditation. It was ranked as the second best performer amongst 66 ASCs (HRDCs) in India

The Human Resource Development Centre conducts Orientation Programmes (for newly-appointed teachers); Refresher Courses (for in-service teachers); Short Term Courses (on themes of multidisciplinary significance) Summer/Winter Schools (on a specific thrust area, open for all teachers); and Special Programmes (like Academic Administrators' Workshops; Principals' Meet; Interaction Programmes for Ph.D. Scholars; Non-Teaching Staff Training Programmes etc.).

Since its inception (upto 31st January, 2019) the HRDC, University of Rajasthan has organized 109 Orientation Programmes, 349 Refresher Courses, 25 Short Term Courses, 3 Summer Schools, 1 Winter School and a number of Special Programmes including 1 Principal's Meet, 1 Academic Administrator's Workshop, 1 Workshop on Examination Work for newly established Universities in Rajasthan, and an Interaction Programme for Ph. D Scholars. In all, 17512 (10694 male and 6818 female) teacher participants have benefitted from the various courses organized under the auspices of HRDC, University of Rajasthan.

During the financial year 2018-19, (upto 31<sup>st</sup> January, 2019) the HRDC successfully organized 11 courses. This session was marked with 4 Orientation Programmes, 5 Refresher Courses, 1 Summer School and 1 Short Term Course. In all, 547 teachers participated in the above courses (319 male and 228 female).

The Refresher Courses and Short Term Courses conceptualized by the faculty and subsequently approved by the UGC for the session 2018-19 were unique and innovatively designed e.g. Refresher Course in International Relations, Environmental Sciences, Economics on the theme of Contemporary Issues in Development: Theory and Policy; Gender Studies; on the theme of Emerging Trends of Gender Studies and Refresher Course in Research Methodology in Social Sc. and Humanities. Short Term Courses were also focused on selective theme of Communication Skills and Personality Development.

### Director

Prof. V. V. Singh

### Dy. Director

Dr. Meeta Mathur

### Assistant Director

Dr. Vishva Chaudhary

Summer School was also organized on Sustainable Development Goals in India: Challenges and Prospects. Some of these courses were multidisciplinary while other were specific for science/social science discipline.

Our HRDC is the hub of academic activities of the city. Among the resource persons are eminent educationists, academicians, scientists, jurists, artists, literary personages, social activists, journalists, critics and other persons specialised in their fields.

Besides Rajasthan, our HRDC has drawn candidates from various other states like Harayana, Delhi, Chandigarh, Punjab, Uttar Pradesh, Uttarakhand, Himachal Pradesh, J & K, Madhya Pradesh, Gujarat, Maharashtra, Goa, Daman & Diu, Dadar Nagar & Havelli, Karnataka, Kerala, Tamilnadu, Pudduchery, Andhra Pradesh, Chhatisgarh, Orissa, West Bengal, Bihar, Sikkim, Assam, Andaman & Nicobar, Mizoram, Nagaland etc.

Our HRDC has 2 AC Seminar Halls well-equipped with Digital Podium and WIFI High Definition Projector with motorized screen audio-visual aids, and a state-of-the-art Computer Lab with latest version Computers, fully covered with CCT Camera system. The HRDC computer lab, office as well as the library, has internet connectivity with 100 mbps and WIFI, available through INFONET.

The HRDC Library, with computerised catalogue facility, has a rich collection of 5487 books, with a stream of regularly subscribed newspapers, magazines and reputed journals. The HRDC has its own Guest House with well furnished double-bedded 32 Rooms and other basic facilities for the comfortable stay of the participants alongwith One common room for recreation of participants. The Human Resource Development Centre is located on the first floor of the Vice-Chancellor's Secretariat in the university campus and its Guest House is situated behind B-1 premises in the campus, near Gandhi circle.

The HRDC's main philosophy is holistic development of the teachers. The concept of an orientation/refresher programme emphasizes teachers as agents of socio-economic change and national development and underlines the need to make them skill-oriented teachers. The programmes of HRDC aim at enabling teachers to discover themselves and their potential through a positive appreciation of their role in the total social, intellectual and moral universe within which they function. It is now accepted that a teacher must not be confined only to transmitting information; he/she must also orient students to meet the challenges

130

of life, to become not merely a trained professional, but also a better citizen.

From an elitist approach in the beginning, our system of higher education has now become mass based. This places greater responsibilities on teachers. New methods of teaching and educational technology along with developments in Information Technology have made the job of a teacher more demanding. These subjects form an essential component of the programmes run by HRDC. Especially designed orientation programmes/ refresher courses in IT and pedagogy are run by HRDC almost every year. Furthermore, there has been knowledge explosion in every discipline. A college/university teacher has to continuously update his/her chosen field of expertise, or run the risk of becoming totally outdated in a very short period of time. Subject-specific refresher courses are organised by HRDC to update the knowledge of the teachers in related subjects. It is also envisaged that the programmes run by HRDC must engender in the teachers awareness of the problems that Indian society faces. Matters relating to subject-knowledge and pedagogy would be meaningful when understood in the total context of national development.

Recently, 32 Induction courses have been allotted to this HRDC, which are to be conducted in four years for newly appointed teacher of the colleges and the university under Rashtriya Uchattar Shiksha Abhiyan (RUSA). Out of which 8 Induction Programmes will be conducted during this financial year (copy enclosed). The schedule for orientation Programmes, Refresher Courses and Short term courses for the year 2019-20 is enclosed.

## College Development Council (CDC)

The CDC was established by the University in the year 1978 under the UGC scheme for ensuring:-

- (i) Proper planning and integrated development of its affiliated and constituent Colleges. (Govt., Non-Govt. & Constituent Colleges).
- (ii) Improvement of Standard of Higher Education.
- (iii) Faculty Improvement.

To achieve its aims and objects, the CDC on behalf of UGC invites proposals from the Colleges included under sections 2(f) and 12-B of the UGC Act, 1956 on various schemes from time to time and recommends to the UGC for approval. At present 85 Colleges affiliated to University of Rajasthan, Jaipur have been recognized by the UGC are under section 2(f) & 12-B and 25 Colleges also recognized under section 2(f). Among these Colleges 04 College have CPE status and 02 College have Autonomous Status.

UGC provides financial assistance in millions of rupees to the Colleges under various schemes:

### 1. Development for the Colleges:-

- i. For construction of Academic buildings and other construction/ renovation work of existing building.
- ii. For purchase of Books & Journals
- iii. For purchase of Equipments
- iv. For Colleges with Potential for Excellence (CPE)
- v. For Construction of Women Hostels in Colleges
- vi. For Golden Jubilee / Centenary celebration grant to College
- vii. For Additional Grant as per UGC guidelines
- viii. For Rejuvenation of Infrastructure in Old Colleges
- ix. For 'Catch-up' grant for Young Colleges
- x. For Colleges located in Rural/Remote/

### Coordinator

Dr. Abha Jain Nagawat

#### Border/Hill/Tribal Areas

- xi. For Colleges with relatively higher proportion of SC/ST & Minorities
  - xii. For Special grant for Enhancement of Intake Capacity in Colleges (initiative for capacity building)

The Coordinator, CDC from the day of its establishment in the University has remained in close contact with the Colleges. He exists them to prepare their proposals and invites their attention about the various schemes of the UGC. The Coordinator, CDC visits the Colleges from time to time for monitoring the proper Utilization of UGC grants and for proper guidance.

The CDC recommends the proposal of the Colleges and Teachers to the UGC as per the guidelines provided on UGC website [www.ugc.ac.in](http://www.ugc.ac.in).

The CDC plays an important role between UGC and Colleges for improving infrastructure facilities in the Colleges and for the benefit of faculty members and students in multiple ways.

#### Administrative Service Pre-Entry Training Centre (APTC)

The Centre was set up by the University in 1978 and it's given the status of an Independent Centre in 1999. At present the centre is running in an independent building close to the University Nursery. The Centre has been organizing several pre-entry training courses for Indian Civil Services and Rajasthan Administrative and Subordinate Services for the last 41 years on, Self Financing basis.

UGC has also recognized the Centre as supporting centre for upliftment of SC, ST, OBC and Minority Community students in 10<sup>th</sup> & 11<sup>th</sup> Plan for coaching of RAS, CS, RJS, NET/SLET, Bank P.O., Spoken English and other competitive examinations. This Centre acts as a facilitator by inviting eminent academicians, bureaucrats and experts of respective fields.

The Centre imparts rigorous training and makes available reading material, handouts, and other literature which helps the candidates for various competitive examinations. The centre has conducted more than 200 programs for various examinations. The past performance in terms of selection of the candidates enrolled in this Centre has been very encouraging, as almost 1/3 of such candidates have been getting selected.

The Centre is known for preparing and grooming the students for competitive examinations through providing subject knowledge as well as developing their personality and communication skills.
