About Us

Paragon Testing Enterprises, founded in 2009, currently operates 80+ test centres worldwide

Paragon currently administers three tests:

- The Canadian English Language Proficiency Index Program (CELPIP) Test
- The Canadian Academic English Language Test, Computer Edition (CAEL CE)
- The Language Proficiency Index (LPI) Test

Paragon's mission is to make its English language proficiency tests the tests of choice for those wishing to immigrate to Canada, become Canadian citizens, or study in Canada at all levels. To achieve this mission, Paragon conducts ongoing test research in collaboration with internationally recognized scholars at Canada's leading universities. This test research program ensures the highest quality tests and enables Paragon to compete with large international testing agencies.

In 2015, Paragon purchased the CAEL Assessment from Carleton University, and in 2017, successfully converted the test to a computer-delivered version known as CAEL CE (Computer Edition). Paragon is currently focused on the international expansion of its tests, with recently opened test centres in the United Arab Emirates, the United States of America, India, and the Philippines, with additional test centres set to open in China and Vietnam in 2019.

CELPIP Components

Speaking

Number of Questions	Component Sections
1	Practice Task
1	Task 1: Giving Advice
1	Task 2: Talking about a Personal Experience
1	Task 3: Describing a Scene
1	Task 4: Making Predictions
1	Task 5: Comparing and Persuading
1	Task 6: Dealing with a Difficult Situation
1	Task 7: Expressing Opinions
1	Task 8: Describing an Unusual Situation

Speaking Tip

Use your own words to show the CELPIP Raters your full ability, rather than repeating the words in the prompt exactly. During your response, try not to repeat the same words too often, think of synonyms and paraphrases to express your ideas and demonstrate the range of your vocabulary.

Reading

Number of Questions	Component Sections
1	Practice Task
11	Part 1: Reading Correspondence
8	Part 2: Reading to Apply a Diagram
9	Part 3: Reading for Information
10	Part 4: Reading for Viewpoints

Reading Tip

On a regular basis, try to read as much as possible in English. Whether it's English magazines, online articles, or full novels, any English reading will help you improve your overall comfort and speed when reading.

Listening

Number of Questions	Component Sections
1	Practice Task
8	Part 1: Listening to Problem Solving
5	Part 2: Listening to a Daily Life Conversation
6	Part 3: Listening for Information
5	Part 4: Listening to a News Item
8	Part 5: Listening to a Discussion
6	Part 6: Listening to Viewpoints

Listening Tip

Each audio file can be heard only once, so you will need to listen very carefully to the recordings. Make sure that you read all the instructions so that you know when the recording will be starting and what you will need to do when the recording ends.

Writing

Number of Questions	Component Sections
1	Task 1: Writing an Email
1	Task 2: Responding to Survey Questions

Writing Tip

Use the first 5 minutes to plan your response to the prompt, and leave 5 to 7 minutes at the end to revise your work and make improvements. The rest of the time should be spent writing the response itself.

Study Tips

Manage your time: Each part of the CELPIP Test has a timer in the corner of your screen, so watch the clock! Make sure that you have enough time to complete all the questions in each part of the Listening Test.

Check your answers: Before moving on to the next question or section on the CELPIP Test, make sure that you have clicked on your answer choice. This is especially important on the parts of the test where there is no opportunity to go back and change your answer.

Practice using a computer: The CELPIP Test is fully computer-delivered, so ensuring that you are comfortable with a mouse and computer keyboard will help you on the CELPIP Test.
