# A\*STAR YOUTH SCHOLARSHIP

MOE offers scholarships to bright young students from ASEAN countries, China and India to study in Singapore. We partner various organisations to administer these scholarships.

While studying in Singapore, students will be given opportunities to broaden their horizons and develop important skills such as leadership, communication and other life skills to equip them for the 21st century. They can also help to promote goodwill and understanding among young people from different countries and Singapore.

This webpage provides information about the A\*STAR Youth Scholarship.
